We Were Once a Family Roxanna Asgarian,2023-03-14 Winner of the 2023 National Book Critics Circle for Nonfiction and the Los Angeles Times Book Prize A Washington Post best nonfiction book of 2023 Winner of the Carnegie Medal for Excellence in Nonfiction A riveting indictment of the child welfare system A bracing gut punch of a book Robert Kolker The Washington Post A moving and superbly reported book Jessica Winter The New Yorker A harrowing account and a powerful critique of the foster care system We Were Once a Family is a wrenching book Jennifer Szalai The New York Times A New York Times Book Review Editors Choice One of Publishers Weekly s best nonfiction books of 2023 The shocking deeply

reported story of a murder suicide that claimed the lives of six children and a searing indictment of the American foster care system On March 26 2018 rescue workers discovered a crumpled SUV and the bodies of two women and multiple children at the bottom of a cliff along the Pacific Coast Highway Investigators soon concluded that the crash was a murder suicide but there was more to the story Jennifer and Sarah Hart it turned out were a white married couple who had adopted six Black children from two different Texas families in 2006 and 2008 Behind the family s loving facade was an alleged pattern of abuse and neglect that had been ignored as the couple withdrew the children from school and moved west It soon became apparent that the State of Texas knew all too little about the two individuals to whom it had given custody of six children Immersive journalism of the highest order Roxanna Asgarian s *We Were Once a Family* is a revelation of precarious lives it is also a shattering expos of the foster care and adoption systems that produced this tragedy As a journalist in Houston Asgarian sought out the children s birth families and put them at the center of the story We follow the lives of the Harts adopted children and their birth parents and the machinations of the state agency that sent the children far away Asgarian s reporting uncovers persistent racial biases and corruption as young people of color are separated from birth parents without proper cause The result is a riveting narrative and a deeply reported indictment of a system that continues to fail America s most vulnerable children while upending the lives of their families

### **Pictures of Home**

Douglas Bukowski,2004-06-14 Pictures of Home is based on photographs that were stored on a shelf in the bedroom closet where Douglas Bukowski grew up The pictures are a source and a measure They show a family on the South Side of Chicago where the children of immigrants fought to keep out the descendants of slaves They show a boy from Hardscrabble who forever lived in the shadow of Richard J Daley The one was born within a mile of the other each received the baptismal name of

Joseph they both drew a city paycheck as firefighter or mayor and they died on the same date in December The pictures tell about a husband and wife their children and the inevitability of change While the house they lived in remained much the same from 1939 to 2000 the surrounding neighborhood did not The streets changed the children grew up and the man died a slow death to which two daughters and a son bore witness even as they sought to fight it The mother stays in the house still comforted by pictures of a life that slips from her memory a little more each day The pictures and the history behind them are brought to life in stunning fashion in Mr Bukowski's spare prose Pictures of Home is the story of a family and a city told affectionately and endearingly by one who is part of both Film and Video Finder, 1997, 1997 The Horn Book Guide to Children's and Young Adult Books, 1995 Audio Video Review Digest, 1989 School Library Journal, 2004 The Illustrated Weekly of India, 1973-04 **Excellence in Brand Advertising** Jim Osterman, 2007 **USA Today Index**, 1990
