Fairy Queens Saga: Books 1-4 Amber Argyle, 2016-05-17 Rule 1 Never bargain with the fae Rule 2 Never fall for the enemy To be with the ones they love three women must break the fae curse that binds their families as immortal enemies Of Ice and Snow The only shepherd in a family of warriors Otec returns to his clan to find all the men gone to war They didn t bother to tell him let alone ask him to fight beside them When his mother sends him on a trifling errand in the high mountains he looks back to find his village burning and his people taken captive Cut off from the help of other clans and dodging raiders he must trust a foreign woman stalked by a dark mysterious magic as they race to save his family from a life of slavery Worse what he thought was a mere raid is actually a full scale invasion In the end he must choose between saving his family or his kingdom Winter Queen A dying man delivers a terrible warning a civil war has begun between neighboring

clans As healer and clanmistress Ilyenna is tasked with keeping the wounded refugees alive and her people fed during a seemingly endless winter But when the war moves to the heart of her village Ilyenna looks into her enemy s eyes and sees more than just cunning There is also lust lust for power and lust for her She could save herself accept the fae bargain that would grant her their dark magic in exchange for her soul Her refusal leaves her struggling to survive her captor s cruelty She finds a measure of solace in the arms of her fellow prisoner Rone But it isn t long before she discovers the feud between clans is merely a distraction from something far worse Ilyenna must decide whether or not to resurrect the power the fairies left behind Doing so will allow her to defeat her enemies but if she embraces winter she risks losing herself to that destroying power forever Whitney Finalist and winner of the Rone Award for Best Fantasy Science Fiction of 2014 Of Fire and Ash There is one rule above all others never bargain with the fae for such bargains always morph into curses But as the droughts worsens Nelay must rely more and more on her forbidden sight to keep her family alive When her father goes missing she risks exposure to find him before time runs out And when she arrives too late the fairies are the only ones who can save him All they require is a simple bargain that she ll return the favor one day Some bargains are lethal Summer Queen Only Nelay can stand between the cinders of her once great nation and the vengeance of the Winter Queen Nelay was nine years old when she bargained with the fae to save her father s life That bargain left her bereft of family and cursed Now seventeen and a powerful acolyte Nelay wants nothing more than to become high priestess in the Temple of Fire Until the Clanlands bent on vengeance invade with their army and trap Nelay s family behind enemy lines Determined to save them Nelay finds an unlikely and annoying ally in a smuggler with a penchant for legends The fact that he s handsome doesn t hurt But as the Clanlands pommels her kingdom into submission Nelay realizes a bigger power is at play than that wielded by mere mortals The fae Winter Queen has rendered the enemy army nearly invincible Perhaps the only way to defeat the fae is to embrace the curse they gave her There s just the little problem of losing her soul in the process To rise from the ashes first she must burn Can three women cursed as enemies learn to work together to break the curse find love and save the dying magic Download the Fairy Queens Saga to find out A captivating series Jennifer A Nielsen New York Times bestselling author
