A Critique of Judgment in Film and Television S. Panse, D. Rothermel, 2014-04-24 A Critique of Judgment in Film and Television is a response to a significant increase of judgment and judgmentalism in contemporary television film and social media by investigating the changing relations between the aesthetics and ethics of judgment Beta Bucks, Alpha Fucks Conrad Riker, 101-01-01 Tired of Being a Disposable A T M in a Woman s World Discover How to Weaponize Truth Master the System and Live Free Do you feel cheated by a society that demonizes your masculinity but still demands your labor money and silence Are you exhausted by endless shit tests and the fear that love is just a transaction in a gynocratic regime Worried your life s value boils down to a paycheck and your death to an inheritance grab How this book will change your life trajectory Expose the empathy gap that lets society shrug at male suffering while coddling female whims Decode evolutionary psychology Why women can t love you the way you love them and why that s not your fault Crush the family court s industrial oppression with cold systematic strategy not hopeless rage Hack your biology Use biofeedback to erase anguish not pills or therapists who blame you Turn toxic masculinity traps into unshakable purpose without apologizing for existing Sidestep the marriage plantation s tax farms and emotional serfdom Borrow Job s grit and Christ s sacrifice without becoming a martyr for ingrates Build a life women can t confiscate ikigai brotherhood and legacy that outlives their lies If you re done being a cog in the gynocracy s machine and ready to forge a life that s truly YOURS buy this book today Your future self will thank you **A Tale of Two Villains** Calvin Cherry, 2022-10-18 Prepare to be delightfully surprised to discover that the godfather of all vampires and the infamous dark wizard share a deep character bond that goes far beyond the title monster Be intrigued to uncover what a coffin and a horcrux share or to dig further to unearth that the often overlooked scars which Bram Stoker wrote of in Victorian England are just as significant as those described by J K Rowling in the modern era Indeed it cannot be a mere coincidence that Dracula was hurt in 1897 and 100 years later Harry is too Bookshelves and databases are full of fascinating sources celebrating the supernatural worlds created by beloved authors Bram Stoker and J K Rowling The millions of fans of Dracula and Harry Potter consist of all age groups and varied enthusiasm ranging from a curious reader or leisure cinema observer to seriously devoted academic scholars However followers of each universe have been chiefly segregated rarely mingling apart from an occasional culture convention widely dominated by Star Wars Star Trek and Marvel heroes groupies This is most unfortunate because Stoker and Rowling readers have a lot in common This is because Count Dracula and Lord Voldemort have much in common In fact these two internationally acclaimed bestselling novels possess a remarkable kinship A Tale of Two Villains is a love letter to both sets of fans paying homage to two superb authors and their extraordinary respective works It is the first text to set both masterpieces on pedestals side by side analyzing the words on the page and the thoughts behind them exploring their similar themes unique parallelism and mystical symbolism The author delves profoundly into the interesting characters their traits

conflicts and motivations to show how literary art is born This book is a must have for any Stoker or Rowling reader as it is the first of its kind ever published **Billboard** ,2010-07-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **New York Magazine** ,1984-05-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Halliwell's Who's who in the Movies Leslie Halliwell,2006 This best selling encyclopedia is the definitive Who s Who of cinema with everything you will ever need to know about major and behind the scenes players It s packed with biographical profiles of actors and actresses directors producers editors and other key figures Halliwell s Who s Who in the Movies also features filmographies entries on the major studios and the foreign film industry a history of the cinema and information on all the major film awards including a list of Oscar winners and nominations Opinionated witty and packed with more information than any other film guide it s as wonderfully unclassifiable as it is impossible to put down
