Every week for the past two years we briefly recommend 6 things to our friends in free email newsletter called *Recomendo*. This book features the best of those recommendations. Sometimes we suggest tools but most items aren't tools. Rather we recommend stuff such as our favorite places to visit, things to watch or listen to, favorite stuff to eat as well as tips for work or home and techniques we've learned, quotes we like to remember and so on. This autumn we collected, filtered and organized 550 of the best recommendations and put them into a book called, naturally enough, *Recomendo*. The book is 95 jam-packed pages. We've categorized the recommendations grouping like with like. Having all the workflow tips or household suggestions or workshop tools or travel recommendations all in one place is super handy. There's an index and subject guide. Many of the items have an illustration. To make up for the fact that a book can't have links, we've added QR codes so you can instantly get a link with your phone. Everyone who has picked the book up has found something cool for them on the first page and they keep turning the pages for more.
