

Cuban Missile Crisis

Terri Kaye Duncan

Cuban Missile Crisis:

Cuban Missile Crisis Jonathan Colman, 2016-02-15 October 1962 The Cuban Missile Crisis the confrontation that brought the world closer to nuclear catastrophe than ever before or since Both John F Kennedy and Nikita Khrushchev were determined to avoid nuclear war but events could easily have spiraled out of control with cataclysmic results Drawing on an extensive body of research including primary sources released only in the last few years this work places the crisis in a broader international and chronological context than previously possible Discover how America was responsible for causing the conflict and Cuba's role as an important actor rather than a superpower pawn *The Cuban Missile Crisis* Robert A. Divine, 1971

The Cuban Missile Crisis Len Scott, R. Gerald Hughes, 2015-04-10 This volume brings together a collection of leading international experts to revisit and review our understanding of the Cuban Missile Crisis via a critical reappraisal of some of the key texts In October 1962 humankind came close to the end of its history The risk of catastrophe is now recognised by many to have been greater than realised by protagonists at the time or scholars subsequently The Cuban missile crisis remains one of the mostly intensely studied moments of world history Understanding is framed and informed by Cold War historiography political science and personal experience written by scholars journalists and surviving officials The emergence of Soviet later Russian and other national narratives has broadened the scope of enquiry while scrutiny of the operational especially military dimensions has challenged assumptions about the risk of nuclear war The Cuban Missile Crisis A Critical Reappraisal brings together world leading scholars from America Britain France Canada and Russia to present critical scrutiny of authoritative accounts and to recast assumptions and interpretations The book aims to provide an essential guide for students of the missile crisis the diplomacy of the Cold War and the dynamics of historical interpretation and reinterpretation Offering original ideas and agendas the contributors seek to provide a new understanding of the secrets and mysteries of the moment when the world went to the brink of Armageddon This book will be of great interest to students of the Cuban missile crisis Cold War Studies nuclear proliferation international history and International Relations in general

The Cuban Missile Crisis Roger Hilsman, 1996-03-20 This book shows how President Kennedy and his brother Robert used this information to bring about the withdrawal of the missiles without war *The Cuban Missile Crisis and the Cold War* Michelle Getchell, 2018-09-15 In October 1962 when the Soviet Union deployed nuclear missiles in Cuba the most dangerous confrontation of the Cold War ensued bringing the world close to the brink of nuclear war Over two tense weeks U S president John F Kennedy and Soviet premier Nikita Khrushchev managed to negotiate a peaceful resolution to what was nearly a global catastrophe Drawing on the best recent scholarship and previously unexamined documents from the archives of the former Soviet Union this introductory volume examines the motivations and calculations of the major participants in the conflict sets the crisis in the context of the broader history of the global Cold War and traces the effects of the crisis on subsequent international and regional geopolitical relations Selections from twenty primary sources provide firsthand

accounts of the frantic deliberations and realpolitik diplomacy between the U S the U S S R and Fidel Castro s Cuban regime thirteen illustrations are also included

Select Bibliography

Kennedy and the Cuban Missile Crisis Cath Senker, 2014 This book explores John F Kennedy s decision to protect his country from a nuclear threat during a momentous event from the Cold War showing how one of the world s most charismatic leaders chose to follow a brave course of action

The Cuban Missile Crisis of 1962 William Medland, 1988-05-16 Medland s book is very timely Naval War College This caveat notwithstanding William Medland proves it can be done Indeed his The Cuban Missile Crisis of 1962 is so good that he makes the task look easy William Medland s The Cuban Missile Crisis of 1962 is outstanding and necessary to a good understanding of the missile crisis The Daily Mississippian A wealth of books exist on the Cuban missile crisis and its aftermath but none examines the different historiographical views of what the crisis meant Medland surveys various interpretations of the confrontation approaching the crisis from national disciplinary and decision making perspectives Although the Soviets reasons for placing missiles in Cuba in 1962 may never be completely known Medland explores several

possible motives taking into account views of participants observers and right and left wing groups The author also discusses the consequences of the confrontation As he demonstrates the end of the crisis brought mixed and surprising results

An International History of the Cuban Missile Crisis David Gioe, Len Scott, Christopher Andrew, 2014-06-05 This edited volume addresses the main lessons and legacies of the 1962 Cuban Missile Crisis from a global perspective Despite the discoveries of recent research there is still much more to be revealed about the handling of nuclear weapons before and during the Cuban Missile Crisis CMC Featuring contributions from a number of eminent international scholars of nuclear history intelligence espionage political science and Cold War studies An International History of the Cuban Missile Crisis reviews and reflects on one of the critical moments of the Cold War focussing on three key areas First the volume highlights the importance of memory as an essential foundation of historical understanding and demonstrates how events that rely only on historical records can provide misleading accounts This focus on memory extends the scope of the existing literature by exploring hitherto neglected aspects of the CMC including an analysis of the operational aspects of Bomber Command activity explored through recollections of the aircrews that challenge accounts based on official records The editors then go on to explore aspects of intelligence whose achievements and failings have increasingly been recognised to be of central importance to the origins dynamics and outcomes of the missile crisis Studies of hitherto neglected organisations such as the US Defense Intelligence Agency DIA and the British Joint Intelligence Committee JIC both extend our understanding of British and American intelligence machinery in this period and enrich our understanding of key episodes and assessments in the missile crisis Finally the book explores the risk of nuclear war and looks at how close we came to nuclear conflict The risk of inadvertent use of nuclear weapons is evaluated and a new proposed framework for the analysis of nuclear risk put forward This volume will be of much interest to students of intelligence studies international history foreign policy security studies and IR in general

The Cuban Missile Crisis Alice George, 2013-03-20 For thirteen days in October of 1962 a truly perilous flirtation with nuclear war developed between the United States and USSR as the superpowers argued over the installation of Soviet nuclear weapons in Cuba Launched by rash judgment and concluded through circumspect leadership the Cuban Missile Crisis acted as a catalyst for change during the Cold War Resolved through back channel negotiations the moment is popularly remembered as the closest the world has ever come to full scale nuclear war Using government memoranda personal letters and newspaper articles The Cuban Missile Crisis details the actual events of the political history while explaining widespread public response In six concise chapters Alice George introduces the history of Cold War America and contextualizes its political social and cultural legacy This will be a must read for anyone looking for an in depth summary of these important events For additional resources please visit the companion website at <http://www.routledge.com/cw/criticalmoments>

Reflections on the Cuban Missile Crisis Raymond Garthoff, 2011-03-01 The Soviet response to the first edition of Reflections has been a prime example of the new openness under glasnost in discussing previously taboo

subjects Using new revelations such as the fact that Moscow had twice as many troops in Cuba as the Kennedy administration believed from key Soviet and Cuban Sources Garthoff has revised his earlier analysis to produce the most accurate eye opening story yet of the 1963 crisis In this book Raymond L Garthoff a participant in the crisis deliberations of the U S government reflects on the nature of the crisis it s consequences and it s lessons for the future He provides a unique combination of memoir historical analysis and political interpretations He gives particular attention to the aftermath and afterlife of the crisis and to its bearing on current and future policy In the first edition of the book in 1987 the Garthoff presented a number of facts for the first time Since then more information has become available particularly from Soviet sources in part from conferences in which Garthoff participated but even more from individual interviews and research This new information much of it presented here in this volume for the first time helps to fill in gaps in our knowledge about events and motivations on the Soviet side More importantly it enlarges our understanding of the crisis interaction **Cuban**

Missile Crisis Priscilla Roberts,2012-04-23 Drawing on revealing new research this richly informative volume is the definitive concise introduction to the crisis that took the world to the brink of nuclear war Cuban Missile Crisis The Essential Reference Guide captures the historical context the minute by minute drama and the profound repercussions of the Missiles of October confrontation that brought the very real threat of nuclear attack to the United States doorstep Coinciding with the 50th anniversary of the crisis it takes full advantage of recently opened Soviet archives as well as interviews with key Russian Cuban and U S officials to explore the event as it played out in Moscow Havana Washington and other locations around the world Cuban Missile Crisis contains an introductory essay by the author and alphabetically organized reference entries contributed by leading Cold War researchers The book also includes an exceptionally comprehensive bibliography Together these resources give readers everything they need to understand the escalating tensions that led to the crisis as well as the intense diplomacy that resolved it including new information about the back channel negotiations between Robert Kennedy and Soviet ambassador Anatoly Dobrynin The Week the World Stood Still Sheldon M. Stern,2005-01-18 The Cuban missile crisis was the most dangerous confrontation of the Cold War and the most perilous moment in American history In this dramatic narrative written especially for students and general readers Sheldon M Stern longtime historian at the John F Kennedy Library enables the reader to follow the often harrowing twists and turns of the crisis Based on the author s authoritative transcriptions of the secretly recorded ExComm meetings the book conveys the emotional ambiance of the meetings by capturing striking moments of tension and anger as well as occasional humorous intervals Unlike today s readers the participants did not have the luxury of knowing how this potentially catastrophic showdown would turn out and their uncertainty often gives their discussions the nerve racking quality of a fictional thriller As President Kennedy told his advisers What we are doing is throwing down a card on the table in a game which we don t know the ending of Stern documents that JFK and his administration bore a substantial share of the responsibility for the crisis Covert operations in

Cuba including efforts to kill Fidel Castro had convinced Nikita Khrushchev that only the deployment of nuclear weapons could protect Cuba from imminent attack. However, President Kennedy, a seasoned Cold Warrior in public, was deeply suspicious of military solutions to political problems and appalled by the prospect of nuclear war. He consistently steered policy makers away from an apocalyptic nuclear conflict, measuring each move and countermove with an eye to averting what he called, with stark eloquence, the final failure.

13 Days in October Howard Brinkley, 2012-12-09. Never has the world come as close to the catastrophic destruction that nearly came to pass in October 1962. The United States and the Soviet Union, uneasy allies in World War II but Cold War rivals after the defeat of Germany, squared off over the discovery of Soviet nuclear missiles in Cuba. This launched 13 days of tense negotiations between the two nations as both President John F. Kennedy and Soviet Premier Nikita Khrushchev prepared for the possibility of nuclear war. While neither man wanted a war and understood the potential consequences, the situation was not merely in their hands. Khrushchev faced pressure from Soviets to take a hardline stance against the U.S., while Kennedy faced the real possibility of a military coup if he did not follow the strong recommendations of his military advisors to destroy the missiles. As Attorney General Robert Kennedy said, "The 10 or 12 people who participated in all these discussions were bright and energetic people. We had perhaps amongst the most able in the country, and if any one of a half a dozen of them were president, the world would have been very likely plunged into catastrophic war." Read more about the history of this short crisis in this book. HistoryCaps is an imprint of BookCaps Study Guides. With each book, a brief period of history is recapped. We publish a wide array of topics from baseball and music to science and philosophy, so check our growing catalogue regularly to see our newest books.

Awaiting Armageddon Alice L. George, 2004-07-21. For thirteen days in October 1962, America stood at the brink of nuclear war. Nikita Khrushchev's decision to place nuclear missiles in Cuba and John F. Kennedy's defiant response introduced the possibility of unprecedented cataclysm. The immediate threat of destruction entered America's classrooms and its living rooms. *Awaiting Armageddon* provides the first in-depth look at this crisis as it roiled outside of government offices where ordinary Americans realized their government was unprepared to protect either itself or its citizens from the dangers of nuclear war. During the seven days between Kennedy's announcement of a naval blockade and Khrushchev's decision to withdraw Soviet nuclear missiles from Cuba, U.S. citizens absorbed the nightmare scenario unfolding on their television sets. An estimated ten million Americans fled their homes; millions more prepared shelters at home, clearing the shelves of supermarkets and gun stores. Alice George captures the irrationality of the moment as Americans coped with dread and resignation, humor and pathos, terror and ignorance. In her examination of the public response to the missile crisis, the author reveals cracks in the veneer of American confidence in the early years of the space age and demonstrates how the fears generated by Cold War culture blinded many Americans to the dangers of nuclear war until it was almost too late.

The Missile Crisis of October 1962 Lester H. Brune, 1985. *Thirteen Days of Tension* Terri Kaye Duncan, 2020-07-15. The words nuclear war strike fear into the

hearts of people all over the world Movies and books depict the apocalyptic aftermath of such an event While fictitious accounts may not be totally accurate in October 1962 the United States came perilously close to finding out the reality of such a catastrophe during the Cuban Missile Crisis For thirteen days the country teetered on the verge of nuclear war Through engaging text accompanied by dynamic images and intriguing sidebars students will learn exactly how close the nation came to World War III and how the country was pulled back from the brink **Cuban Missile Crisis** Jonathan Colman,2016-02-15 October 1962 The Cuban Missile Crisis the confrontation that brought the world closer to nuclear catastrophe than ever before or since Both John F Kennedy and Nikita Khrushchev were determined to avoid nuclear war but events could easily have spiraled out of control with cataclysmic results Drawing on an extensive body of research including primary sources released only in the last few years this work places the crisis in a broader international and chronological context than previously possible Discover how America was responsible for causing the conflict and Cuba's role as an important actor rather than a superpower pawn The Brink David Detzer,1979 An account of the 1962 confrontation between the United States and Russia caused by the installation of Russian missiles in Cuba **The Cuban Missile Crisis** Myra Immell,2010-09-10 This volume introduces and provides a brief overview of major factors that contributed to the Cuban missile crisis during October 1962 Personal narratives are also shared allowing readers first hand details that other books on this topic do not supply Readers hear from a Soviet Naval Officer as he goes to battle and a British Journalist who recalls the tense weeks of the crisis Two native Cubans also share their memories **Cuban Missile Crisis** Helga Schier Ph.D.,2008-01-01 Explores the Cuban Missile Crisis and how that event has sculpted societies the sciences and politics
