Cuckold Help Guide:

The Dramatic Works of John Webster: A cure for a cuckold. Induction to the malcontent. The Thracian wonder. The weakest goeth to the wall John Webster,1897 How to Get Your Wife to Cuckold: a Couples Guide Greg Webber,Kat Webber,2017-07-17 We are Kat and Greg and we have been married for five years as of the writing of this book To our friends and family we have a normal monogamous relationship that is happy We own a successful business together Behind closed doors however we have a cuckold or hotwife relationship We will make a few assumptions about your knowledge of the topic since you found this book We expect that you at least have a general idea of what cuckolding is We are writing this book to help other couples who are interested in the lifestyle We want to share our experiences with the world Our relationship didn't start out this way it evolved over time We both read a lot about the topic as our relationship evolved In particular we enjoyed reading about other couple's experiences to help find our way through this new territory Hearing about first hand experiences on any topic you wish to learn about and explore is helpful Now that we have settled into a comfortable place we want to help others find their way The format of this book will be general information to start each chapter followed by personal thoughts from both Kat and Greg individually We hope this will give you the basic information plus a more personal spin that you can relate to It is a well known fact that men and women think differently about everything Even if we agree on something we usually have different reasons for thinking the way we do By sharing not just general information but also two different views of that information we hope to really give you a great sense of the topics
