SIDDHAR ,2025-09-19 Clara never expected her world to change inside the quiet shelter of a garden Surrounded by roses and the steady strength of an ancient oak she discovered a connection that was both tender and dangerous a bond that carried the weight of everything unsaid What began as silence grew into fragments shared on paper petals pressed between pages and moments too fragile to name aloud Each meeting beneath the shifting light became a refuge from the noise beyond the gates In stolen hours they learned to speak a language without words where every pause held meaning and every glance carried a promise Yet the world beyond pressed closer whispering watching waiting to tear apart what bloomed in secret As storms gathered and shadows lengthened Clara and her companion faced the truth of their fragile vow They could not demand forever but they could claim the fleeting beauty of now Their story was not built on grand declarations but on silences that spoke louder than words and promises too delicate to bind yet too powerful to deny A tale of love tested by time silence and the weight of what cannot be spoken Blooming Over Time lingers long after the last page is turned **After**
