## Post Apocalyptic Story Media Sensation:

Postapocalyptic Fantasies in Antebellum American Literature John Hay, 2017-10-05 This book examines the widespread use of postapocalyptic fantasies in American literary texts in the early nineteenth century      **Making Sense of Society** Alex Khasnabish, 2022-05-30T00:00:00Z Grounded in the sister disciplines of sociology and anthropology this textbook is an accessible and critical introduction to contemporary social research Alex Khasnabish eschews the common disciplinary silos in favour of an integrated approach to understanding and practising critical social research Situated in the North American context the text draws on cross cultural examples to give readers a clear sense of the diversity in human social relations It is organized thematically in a way that introduces readers to the core areas of social research and social organization and takes an unapologetically radical approach in identifying the relations of oppression and exploitation that give rise to what most corporate textbooks euphemistically identify as social problems Focusing on key dynamics and processes at the heart of so many contemporary issues and public conversations this text highlights the ways in which critical social research can contribute to exploring understanding and forging alternatives to an increasingly bankrupt violent unstable and unjust status quo      *Encyclopedia of the Environment in American Literature* Geoff Hamilton, Brian Jones, 2014-01-10 This encyclopedia introduces readers to American poetry fiction and nonfiction with a focus on the environment broadly defined as humanity's natural surroundings from the discovery of America through the present The work includes biographical and literary entries on material from early explorers and colonists such as Columbus Bartolome de Las Casas and Thomas Harriot Native American creation myths canonical 18th and 19th century works of Jefferson Emerson Thoreau Whitman Hawthorne Twain Dickinson and others to more recent figures such as Jack London Ernest Hemingway Norman Mailer Stanley Cavell Rachel Carson Jon Krakauer and Al Gore It is meant to provide a synoptic appreciation of how the very concept of the environment has changed over the past five centuries offering both a general introduction to the topic and a valuable resource for high school and university courses focused on environmental issues      **Climate Mobility Justice** Elena Giacomelli, Pierluigi Musarò, 2025-11-08 This book explores how the intertwined challenges of climate change and human immobilities are being narrated governed and resisted From media and policies to art and activism the book investigates the stories we tell and the ones we silence about who moves who stays and who tries to govern human mobilities What emerges is a powerful critique of crisis narratives that legitimize fear repression and exclusion and a call for new imaginaries grounded in justice care and planetary belonging Engaging with voices from the Global South Indigenous epistemologies and feminist and decolonial thought this book offers a bold rethinking of how to confront one of the defining issues of our time It is essential reading for anyone interested in the future of climate politics migration and global solidarity      forum for inter-american research Vol 4 Wilfried Raussert, 2023-07-20 Volume 4 of 6 of the complete premium print version of journal forum for inter american research fiar which is the official electronic journal of the International Association of Inter American Studies IAS fiar was

established by the American Studies Program at Bielefeld University in 2008 We foster a dialogic and interdisciplinary approach to the study of the Americas *fiar* is a peer reviewed online journal Articles in this journal undergo a double blind review process and are published in English French Portuguese and Spanish **The Politics of Horror** Damien K. Picariello,2020-06-26 The Politics of Horror features contributions from scholars in a variety of fields political science English communication studies and others that explore the connections between horror and politics How might resources drawn from the study of politics inform our readings of and conversations about horror In what ways might horror provide a useful lens through which to consider enduring questions in politics and political thought And what insights might be drawn from horror as we consider contemporary political issues In turning to horror the contributors to this volume offer fresh provocations to inform a broad range of discussions of politics Independent Video, Alternative Media ,1994 The Hollywood Reporter ,2008 Touch Richard Kearney,2021-02-23 Our existence is increasingly lived at a distance As we move from flesh to image we are in danger of losing touch with each other and ourselves How can we combine the physical with the virtual our embodied experience with our global connectivity How can we come back to our senses Richard Kearney offers a timely call for the cultivation of the basic human need to touch and be touched He argues that touch is our most primordial sense foundational to our individual and common selves Kearney explores the role of touch from ancient wisdom traditions to modern therapies He demonstrates that a fundamental aspect of touch is interdependence its inherently reciprocal nature which offers a crucial corrective to our fixation with control Making the case for the complementarity of touch and technology this book is a passionate plea to recover a tangible sense of community and the joys of life with others

*The Ethical Component in Experimental British Fiction Since the 1960's* Susana Onega Jaén,Jean-Michel Ganteau,2007 Some humanist critics contend that only realist texts have an ethical function that there is no ethical message behind the parodic and self conscious games played by experimental fiction and that since emotion neutralises the ethical faculties there is no ethical dimension in such excess peddling postmodernist genres and modes as kitsch melodrama and romance Yet one may argue that the defamiliarisation imposed by parody metafictional overkill and sundry devices symptomatic of emotional paroxysm on the realist text involves some measure of criticism of received truth and makes for the practice of a non deontic ethics of truths that is also fairly often an ethics of alterity This volume examines analytical evidence for the ethical component in key experimental British novels from the 1960 s to the present with special focus on John Fowles Brigid Brophy B S Johnson Angela Carter Peter Ackroyd A S Byatt Martin Amis Zadie Smith Will Self Ian McEwan and Julian Barnes **3ds Max 6 Animation** Barrett Fox,2004 This text teaches the fundamentals of 3D graphics and animation including modelling surfacing texturing animating lighting and rendering The Athenaeum ,1872 *Kwartalnik neofilologiczny* ,1978 **The Saturday Review of Politics, Literature, Science and Art** ,1859 **Fantasy & Science Fiction** ,1994 *Contemporary Authors* Terrie M.
