Linguistics, Language Teaching, and Language Acquisition James E. Alatis,1990 *Teaching the Indian Child* Jon Allan Reyhner,1988 *Teaching Learners of English in Mainstream Classrooms (K-8)* Linda New Levine,Mary Lou McCloskey,2009 Teaching Learners of English in Mainstream Classrooms is a unique resource designed to help K 8 classroom teachers integrate language learning into the content curriculum This book helps teachers teach their grade level curriculum even though they may have English language learners in their classrooms By using the strategies provided teachers can promote content achievement for all of their students Specifically written for content teachers Linda New Levine and Mary Lou McCloskey s clear and friendly writing style emphasizes practical application of known second language learning principles The authors offer classroom teachers practical strategies and tools to integrate content and language learning accelerating the academic achievement of their students Techniques for developing reading writing and speaking skills in the content areas are also emphasized **Redefining Applied Linguistics** SAALA (Association). Conference,1994 *Towards a New Primary Curriculum for South Africa* Carol A. Macdonald,1993 Since 1979 Act 90 The Education and Training Act South Africa s law has stated that an official language i e English or Afrikaans could be used as the medium of instruction after Std 2 fourth grade in black education Almost without exception English was chosen by the primary schools This means that most children are introduced to the new subjects of history science and geography through the medium of English These subjects are encapsulated in textbooks that children find unusable and teachers have difficulty in understanding In 1990 the legislation was amended so that medium of instruction now becomes a matter of negotiation between the Minister of Education and the parents This negotiation is currently under way in many Department of Education and Training schools This change of legislation came as a direct result of research carried out over a period of five years on the Threshold Project 1985 1990 The overt cause of difficulties within the education system would have seemed to be a language policy that traumatises both teachers and pupils Inadequate time and materials are spent preparing children for a change in the medium of learning and the curriculum is not developed carefully enough to lead children to an understanding to a large number of abstract concepts by the fifth year of schooling *Resources in Education* ,1992-03 **The Crosscultural, Language, and Academic Development Handbook** Lynne T. Díaz-Rico,Kathryn Z. Weed,1995 *Mathematics as a Second Language* Matthew S. Winsor,1998 *A Course for Teaching English Learners* Lynne T. Díaz-Rico,2008 A Course for Teaching English Learners CTCL Handbook offers strategies to equip teachers to work with English language learners balancing fundamental

principles with practical classroom techniques This book offers in a single volume a wealth of background principles underlying the cultural linguistic and sociocultural contexts and foundations of learning and by providing a comprehensive framework that doesn't only focus on reading and writing Provisions in the federal No Child Left Behind Act NCLB call for yearly accountability in English language growth for language minority students The CTET Handbook addresses the new focus on testing procedures as well as adaptation for English learners during the test taking process Throughout Lynne Diaz Rico provides the necessary background knowledge needed to educate English learners and also includes a variety of classroom methods for English language development in listening speaking reading writing and computer assisted instruction From publisher's description *ESL/EFL Teaching* Yvonne S.
