## **Communication And Conflict Management In Churches And Christian Organizations:**

*Communication and Conflict Management in Churches and Christian Organizations* Kenneth O. Gangel, Sam Canine, 2002-03-05 Churches thrive on communication they are stifled by conflict Renowned Christian educator Kenneth O Gangel joins his colleague Samuel L Canine to bring good news to the church communication skills can be learned and conflict can be managed The church need no longer hide conflict nor excuse itself for poor communication but can instead acknowledge where it has problems and seek transformation The authors offer scriptural strategies for overcoming conflict and for building trust in relationships even relationships among deacons or between deacons and pastors Drawing from recent studies in the social sciences Gangel and Canine show the church how to manage strife and foster dialogue so that the church can flourish Chapter titles include Learning To Listen Power in Conflict Management Negotiation and Bargaining in Conflict Management Organizational Causes of Conflict Coalitions in Conflict Management Managing Conflict Destructively or Constructively Stress Cause And Cure and The Workaholic Syndrome This book is a valuable resource for training church leaders It is also an important resource for those who are already pastors for whom the issues are daily realities and not just academic theory Through its use in churches and seminaries the book is designed to lead God's church through its conflicts to renewed vigor in ministry and growth

### **Creative Strategies for Conflict Management & Community Building**

Christian Ndubueze Anyanwu, 2009-11 This book in applying the asset mapping theory of Kretzmann and McKnight 1993 developed a positive communication strategy for minimizing conflicts and building a more Collaborative Communities in Organizations and Churches with much emphasis on inclusivity consensus and commitment to common vision and ideals While critically reviewing the traditional conflict theories in their approaches to conflict management the book uses the new lens provided by the asset mapping theory to recommend for a paradigm shift in the way people look at organizations and conflicts A new emphasis therefore is on the positive elements in organizations the assets that lie within individuals and groups as the key to minimizing conflict in organizations Besides unlike the traditional conflict theories which sees conflict as a problem this new lens sees conflict within organizations as functional and opportunities for growth The book equally identifies some of the significant factors that cause ethnic conflicts within organizations such as Prejudices among Ethnic Groups Differences of Ethnic Groups Power Struggle among Ethnic Groups Discrimination and Injustice against Groups Lack of Participatory Communication and Lack of Participatory Leadership Finally in reviewing the relevant literatures on Community Building the book underlines the various variables that make Community Building possible Such variables include Discovering and Mobilizing the Assets of Individuals and Groups within Organizations Building Relationships among Individuals and Groups within Organizations Building a more Participatory Leadership within Organizations Building a more Participatory Communication within Organizations Creating more Awareness on the necessity of Collaborative Initiatives as well as Promoting the Common Cultural Values and Ideals that holds Individuals and Groups together within Organization
