The Fable as a Stylistic Test in Classical Greek Literature Herbert Thompson Archibald, 1912 **The Common Core Companion: The Standards Decoded, Grades 3-5** Leslie Blauman, Jim Burke, 2014-03-28

With the click of a mouse anyone has access to the standards So aligning our instruction should be a snap If only it were that simple Jim Burke anticipated the challenges and developed the Common Core Companion series for K 12 In his next smart move he deferred to the talents of Leslie Blauman to be author of the 3 5 volume What makes Leslie Blauman s Common Core Companion that version of the standards you wish you had It s the way Leslie translates each and every standard for reading writing speaking and listening language and foundational skills into the day to day what you do lesson ideas best literacy practices grouping configurations adaptations for ELL anchor charts and so much more The wisdom and how to s are all here page by page The standards for literature and informational texts put side by side for easier planning Teaching ideas for each standard Recommendations on how to cultivate the habits of mind that are critical to meeting the standards including interpersonal skills collaboration and perseverance A glossary of academic language for each standard with adaptations for ELL students An online bank of graphic organizers student reproducibles sample classroom charts rubrics and photos Reproducible planning templates for each standard to help you map out lessons select books generate key questions and more With 30 years of classroom experience and consulting in schools nationwide Leslie Blauman brings to this book a keen eye for what teachers need in order to get students in the intermediate grades ready as readers writers thinkers and learners capable of meeting the Common Core s rising expectations in middle school Leslie s classroom is a working model for child staff development in reading writing and critical thinking in collaboration with the Public Education Business Coalition PEBC When considering the CCSS we need to remember that teachers do not teach standards Teachers teach kids A classroom teacher who mixes it up with kids every day Leslie Blauman teaches as if her hair s on fire STEPHANIE HARVEY Coauthor of *The Comprehension Toolkit* [A Common Sense Guide for Teaching Common Core Literacy](#) Jennifer Dutra, 2014-07-01

Blauman, Leslie Blauman, Jim Burke, 2014-04-24 This book explains what the standards say what they mean and how to teach them The book is organized by the Anchor Standards in the following categories Reading Literature Informational Text Foundational Reading Skills This is a departure from the 6 12 standards that we will have to consider in design format Writing Speaking and Listening Language Text-Dependent Questions, Grades K-5 Douglas Fisher, Nancy Frey, Heather Anderson, Marisol Thayre, 2014-09-02 Fisher Frey s answer to close and critical reading No doubt since the cave paintings of prehistoric times humans have asked questions to make sense of the message So what could possibly be new about posing questions about text Plenty and with TDQ Doug Fisher and Nancy Frey reveal it all After one quick read you will have learned all the very best ways to use text dependent questions as scaffolds during close reading and the big understandings they can yield especially when executed the Fisher and Frey way But that s just for starters Fisher and Frey also include illustrative video recommended texts and questions examples from across content areas and an online professional learning guide making the two volumes of TDQ a potent professional development tool across all of K 12 The genius of TDQ is the way Fisher and Frey break down the process into four cognitive pathways that help teachers organize the journey through a text and frame an extended discussion around it Step by step this approach ensures that in every close reading lesson students are guided to consider explicit and implied meanings and deeply analyze and appreciate various aspects of a text especially those that may be challenging or confusing Here s how the four inter related processes play out with every why and every how answered What does the text say general understandings and key details How does the text work vocabulary structure and author s craft What does the text mean logical inferences and intertextual connections What does the text inspire you to do write investigate present debate The cool thing These questions ignite students engagement and discussion because they strategically lead students to a place of understanding where explicit and implied meanings and interpretations can be debated Far from being overly literal or teacher led the questioning framework Fisher and Frey advance enhances the quality of student talk and idea generation All in all there s no better resource to cultivate students capacity for independent reading and incisive thinking Longtime collaborators and recipients of numerous teaching and leadership awards DOUGLAS FISHER and NANCY FREY are Professors of Educational Leadership at San Diego State University as well as teacher leaders at
