Which Level or PowerPoint Should I Start With?

Some schools follow Twinkl's phonics programme, which is divided into Levels, and other schools follow other schemes of work, where you will find the Twinkl resources align with the phases from the DfE Letters and Sounds document.

These resources are designed to be used as they are, without any need to adapt them to another scheme of work. If you are using another scheme of work, you could use this as a starting point, identifying which sounds and letters you are currently teaching, and adapting the resources to fit in with your programme of phonics teaching.

If an adult is teaching a child, they can use this as a starting point, and will answer any questions the child has, and will answer these feel confident going forward, referring through the PowerPoint.
