Drawing on personal stories, clinical insights, and practical Cognitive Behavioral Therapy (CBT) techniques, this book offers a compassionate roadmap for those struggling with intrusive thoughts, perfectionism, and even postpartum OCD. In a society that pressures women to be flawless, *Hidden Rituals* reveals how deeply ingrained societal expectations can exacerbate the inner turmoil of OCD. Through detailed case studies and real-life examples, the book unveils the hidden battles many women face from pure O obsessions that attack from within to the overwhelming self-doubt experienced by new mothers. The book guides readers step by step through understanding OCD's unique manifestations in women, empowering them with the tools to break free from the endless cycle of compulsions. With references to seminal works such as *Brain Lock* and *Daring Greatly*, it interweaves expert advice with empathetic support, showing that recovery is not only possible but also a journey toward self-discovery and empowerment. Whether you are seeking validation, practical strategies, or simply a deeper understanding of how OCD uniquely affects women, this book serves as an essential resource. *Hidden Rituals* is more than a self-help manual; it is an invitation to reclaim your voice, redefine perfection on your own terms, and build a future defined by resilience, hope, and authenticity.
