then he had found the seed of his ultimate salvation He named her Hanna after his own mother found her a family to raise her and provided for her anonymously while he went far away to fight his demons However as years went by thoughts of Hanna consumed him He returned seventeen years later to see how she fared but her beauty struck him He planned an accidental meeting which does not go well Sebastian planned to leave her to her life as he believed himself unworthy of her love but before he leaves Hanna once again he learned that vampires and wolves were after her Now it is up to him to secretly guard Hanna s life
