knowledge on commercial acquisition and contract is essential as it forms the foundation of modern contract management. You should therefore go through the sections on business procurement and commercial contracting in addition to studying FAR. Again, GB is not tested in the exam. As of the time of this writing, CCCM and CFCM exams have 150 questions per exam. The 110 question format is no longer in use. CPCM Candidates need to know both sides of contract management. Knowledge on commercial contract and FAR would be required. Also, some GB stuff will appear in this exam. As of the time of this writing, the CPCM exam has 179 questions. There are several scenario-based MC sections. In this study product, we have both contracting specific and business knowledge sections. We label those business knowledge sections as Foundation Knowledge sections. These sections have information that is not on the technical aspect of contracting but is still relevant for day-to-day contract admin work. The Sept 2012 FAR revisions have been included in this edition.

### **CFCM Exam Self-Practice**

**Review Questions for Federal Contract Manager** Examreview, 2015-12-08. We create these self-practice test questions referencing the concepts and principles currently valid in the exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to simulate actual exam questions. Realistic or actual questions that are for cheating purposes are not available in any of our products. You do NOT need to buy this product if you have purchased our 2015-16 edition study guide.

**CFCM Contract Management Exam Study Guide & Practice Questions 2014** Examreview, 2013-10-20. For CFCM, FAR is definitely the focus. Still, knowledge on commercial acquisition and contract is essential as it forms the foundation of modern contract management. You should therefore go through the sections on business procurement and commercial contracting in addition to studying FAR. In this study product, we have both contracting specific and FAR knowledge sections. You want to know that the CFCM exam has been updated to cover FAR changes of FACs 05.46 through 05.57. A special section is accordingly made available in this book to provide information on the more important changes that are deemed relevant for the exam. GB knowledge topics are no longer covered in this book. The Sept 2012 FAR revisions have been included in this edition. Latest case laws are also covered.

Examreview, 2013-10-20. In the new CCCM exam syllabus, General Business Knowledge is no longer tested. HOWEVER, taking into account the fact that knowledge on the general business environment would help a lot in your exam study effort, even though the GB module is no longer required, GB-related materials are retained in this study guide. Note that the CCCM exam does not cover FAR. Therefore, you may ignore the FAR section altogether. The focus is more on the UCC Articles 1 & 2.

and 2a and some general commercial contracting elements If you are new to contract management use this study guide TOGETHER WITH other sources of information to prepare for the exam The exam is easy only if you are experienced in contract management If you are not then lots of readings would have to be done As of the time of this writing CCCM is in a format of 150 questions per exam The 110 question format is no longer in use In this study product we have both contracting specific and business knowledge sections We label those business knowledge sections as Foundation Knowledge sections These sections have information that is not on the technical aspect of contracting but is still relevant for day to day contract admin works
