

Comprehensive Community Study Guide for the Community HESI Exam

Dear Students,

- Please note that this is not an all-inclusive study guide.
- Questions are randomly selected much like NCLEX. It is hard to predict what questions will be on the exam this term.
- Attending the live sessions, interacting with your instructor and doing the work has prepared you for the HESI.

Helpful Hints for Success:

- Review Interactive Lessons. Pay attention to the one you did not view or material you did not understand.
- Review PowerPoints for all the chapters.
- Review Exam Study Guides. This is a good prep.
- Your NCLEX questions and Evolve Case studies have prepared you.
- Your discussion posts have prepped you. Make sure you read your instructor feedback on your work for key information.
- Kaplan questions for Community is good practice. Make sure you are taking notes during the remediation of each question. THE RATIONALES are SUPER helpful!!!!
- If you reviewed your exams with your instructor when the review period was open, you should have an idea of what to expect.
- Remember to apply principles of clinical judgement, nursing process, Med/Surg principles, safety, and delegation.)

Good Luck!!
