Levine, Ph.D.,2012-10-30 Unraveling trauma in the body brain and mind a revolution in treatment Now in 17 languages In this culmination of his life s work Peter A Levine draws on his broad experience as a clinician a student of comparative brain research a stress scientist and a keen observer of the naturalistic animal world to explain the nature and transformation of trauma in the body brain and psyche In an Unspoken Voice is based on the idea that trauma is neither a disease nor a disorder but rather an injury caused by fright helplessness and loss that can be healed by engaging our innate capacity to self regulate high states of arousal and intense emotions Enriched with a coherent theoretical framework and compelling case examples the book elegantly blends the latest findings in biology neuroscience and body oriented psychotherapy to show that when we bring together animal instinct and reason we can become more whole human beings     *Trauma Healing Guide* Gerald Kiesman,2017-02-03 In 1997 Gerald Kiesman started to heal a traumatic event he experienced Throughout his healing Gerald recognized that information on trauma in books and on the internet was written in academic terminology Gerald believed it is important to write about trauma in layman s term easy to understand that includes healing exercises Having an understanding of trauma and knowledge of healing exercises is the foundation to healing trauma In 2000 Gerald started to develop the book With 16 years of research on trauma post traumatic stress disorder and healing exercises and facilitating over 300 workshops throughout Canada Gerald has developed this trauma healing guide that provides a clear and basic

understanding of how trauma impacts the mind and body a understanding of post traumatic stress disorder and healing exercises to eliminate the stress from the traumatic event Journal writing exercises are also included The Trauma Healing Guide is a valuable resource for trauma survivors community workers caregivers foster parents military personnel and veterans

**Journey Through Trauma** Gretchen Schmelzer, PhD, 2018-02-06 As a therapist Gretchen Schmelzer has watched far too many people quit during treatment for trauma recovery They find it too difficult or frightening or they decide that it s just too late for them Schmelzer wrote Journey Through Trauma specifically for survivors to help them understand the terrain of the healing process and stay on the path She begins by laying out three important assumptions that support a survivor s healing that it is possible that it requires courage and that it cannot be done alone Traumas that happen more than once child abuse sexual abuse domestic violence gang violence war are all relational traumas They are traumas that happen inside a relationship and therefore must be healed inside a relationship whether that relationship is with a therapist or within a group She then guides readers through the five phases that every survivor must negotiate Preparation Unintegration Identification Integration and Consolidation She creates a mental map of the healing process that helps survivors recognize where they are in their journey to health see where the hard parts occur and persevere in the process of getting well Since the cycle of healing repeated trauma is not linear the survivor comes to understand that circling back around to a previous stage actually means progress as well as facing new challenges Ultimately the healing journey is one of trust as survivors come to trust their capacity to rely on help from others and to trust themselves and the work they have done

**Releasing Our Burdens** Thomas Hübl, Richard Schwartz, Ph.D., 2025-12-02 The authors definition of trauma is valuably broad and complex and their concepts are unpacked in nonjudgmental terms It s a solid addition to the rising tide of literature on trauma Publishers Weekly A groundbreaking collaboration between Dr Richard Schwartz founder of Internal Family Systems IFS and Dr Thomas H bl renowned teacher and trauma healing facilitator on healing individual ancestral and collective trauma to reclaim resilience and transform our world We often view trauma as a personal wound to heal on our own but trauma is rarely just an individual issue It is shaped by ancestral burdens passed down through generations and by the collective pain we experience from the world around us Beloved teachers Richard Schwartz and Thomas H bl bring together their wisdom to chart a new path forward that addresses these deeper layers of wounding so we can heal ourselves our communities and our world In this powerful book H bl and Schwartz help us understand why individual trauma cannot be separated from the legacies of shared past and present traumas The authors explore their respective approaches to trauma healing and how these modalities can work together Schwartz is the creator of IFS a highly effective evidence based therapeutic approach that teaches that we all contain many parts and also have an undamaged healing Self H bl has done powerful work on trauma healing particularly collectively and in groups Together they offer methods and practices that help us begin to Release beliefs and emotions that no longer serve us Break cycles of harm Expand our awareness Become more

compassionate and curious as we heal A chapter from Fatimah Finney a licensed mental health counselor and a trainer at the IFS Institute helps us apply these methods to the wounds caused by social injustices such as racial bias and oppression Through this work H bl shares We can unload the burden and create a more flourishing world *Healing from Trauma* Jasmin Lee Cori,2007 For survivors rather than professionals from a therapist who is also a trauma survivor Thriving in the Wake of Trauma Thema Bryant-Davis,2005-06-30 Explains how cultural factors affect our perception of and recovery from trauma triggered by events including sexual assault domestic violence racial and homophobic hate crimes and discrimination
