Reading Contemporary Serial Television Universes Paola Brembilla, Ilaria A. De Pascalis, 2018-05-25 *Reading Contemporary Serial Television Universes* provides a new framework the metaphor of the narrative ecosystem for the analysis of serial television narratives Contributors use this metaphor to address the ever expanding and evolving structure of narratives far beyond their usual spatial and temporal borders in general and in reference to specific series Other scholarly approaches consider each narrative as composed of modular elements which combine to create a bigger picture The narrative ecosystem approach on the other hand argues that each portion of the narrative world contains all of the main elements that characterize the world as a whole such as narrative tensions production structures creative dynamics and functions The volume details the implications of the narrative ecosystem for narrative theory and the study of seriality audiences and fandoms production and the analysis of the products themselves

It Starts with One Jason Lipshutz, 2024-10-01 From the executive director of music at Billboard an extensive look inside the 20 year career of mega selling rock band Linkin Park featuring new interviews exclusive quotes and insights from the band's associates and collaborators Linkin Park is one of the 21st Century's biggest and most important rock bands All it takes is one quick glance at the numbers 11 Top 40 hits on the Hot 100 and six No 1 albums on the Billboard 200 over a dozen massive tours 27 major award wins 100 million records sold worldwide over 30 million monthly Spotify listeners to realize that when it comes to the metrics of music consumption and fandom there's no bigger group in recent memory And yet despite their enduring legacy within rock there's never been a full comprehensive biography of Linkin Park until now In *IT STARTS WITH ONE The Legend and Legacy of Linkin Park* Billboard's executive director of music Jason Lipshutz chronicles the innovation and influence of this legendary band from their early childhoods to the moment their paths crossed to the genesis of their iconic first album *Hybrid Theory* and all that followed Not only were they able to synthesize trends in pop and hip hop amidst the post grunge era and nu metal boom then constantly reinvent their sound over multiple albums Linkin Park's radically vulnerable lyrics also helped usher in a new era of artists and fans more open to discussing mental health and prioritizing inclusivity Led by their front men Chester Bennington and Mike Shinoda who balanced each other out artistically Linkin Park never shied away from songs that put their issues front and center for the world to see and feel Tragically Chester succumbed to his demons and passed away in 2017 but the music endures and in order to truly appreciate the band's singular power to bring people together we need to take a closer look at how exactly Linkin Park changed popular music Through in depth reporting and interviews as well as new reflections from their collaborators and contemporaries *IT*

STARTS WITH ONE explores how one band made such a big impact on modern music effectively cementing Linkin Park's long overdue place in music history *Restaurants & Institutions*, 2009 *Marketing Library Services*, 2007

Anti-Fandom Melissa A. Click, 2019-01-08 A revealing look at the pleasure we get from hating figures like politicians celebrities and TV characters showcased in approaches that explore snark hate watching and trolling The work of a fan takes many forms following a favorite celebrity on Instagram writing steamy fan fiction fantasies attending meet and greets and creating fan art as homages to adored characters While fandom that manifests as feelings of like and love are commonly understood examined less frequently are the equally intense but opposite feelings of dislike and hatred Disinterest Disgust Hate This is anti fandom It is visible in many of the same spaces where you see fandom in the long lines at ComicCon in our politics and in numerous online forums like Twitter Tumblr Reddit and the ever dreaded comments section This is where fans and fandoms debate and discipline This is where we love to hate Anti Fandom a collection of 15 original and innovative essays provides a framework for future study through theoretical and methodological exemplars that examine anti fandom in the contemporary digital environment through gender generation sexuality race taste authenticity nationality celebrity and more From hatewatching Girls and Here Comes Honey Boo Boo to trolling celebrities and their characters on Twitter these chapters ground the emerging area of anti fan studies with a productive foundation The book demonstrates the importance of constructing a complex knowledge of emotion and media in fan studies Its focus on the pleasures performances and practices that constitute anti fandom will generate new perspectives for understanding the impact of hate on our identities relationships and communities
