## **Chapter 2 Tax Research, Practice, and Procedure**

---

### **SUMMARY OF CHAPTER**

Tax practice involves the preparation of tax returns and representation of clients before the audit or appellate divisions of the Internal Revenue Service. Thus, this chapter includes a discussion of the internal organization of the IRS, the functions of the various administrative groups, the rules relating to practice before the IRS, and the procedures for examination of returns, including correspondence examinations, office examinations, and field examinations.
