The information on this book has organized layout included so you do not have to figure out the approach to learning material on your own in other words how to start and where to end. This has already been done for you so relax learning doesn't have to be painful. The class of the Commercial Driver license refers to the weight of the vehicle. Class B: Any single vehicle with GVWR of 26,001 or more pounds or any such vehicle towing another in excess of 10,000 pound. To obtain the CDL permit class B applicants required to pass the written Knowledge Test as well as Air Brakes endorsement if applicable. General Knowledge is a written test sections 2-4 of your state CDL manual that covers all of the others in a little detail. It's just to get a basic idea of what the kind of vehicles you may be driving and what different rules you have to follow depending on the vehicle. Air Brakes is a written test section 5 of your state CDL manual that deals strictly with the braking system on heavy vehicles you'll be driving. It informs you on the lack of air pressure in the system during normal driving which is referred to as brake lag distance. It also deals with the driver's perception distance reaction distance which do effect the time it will take to stop loaded vehicle and what will happen in a skid. What you get CDL general knowledge test 105 questions answers organized into three smart practice tests with detailed prep descriptions. CDL air brakes test 30 questions answers organized into three smart practice tests with detailed prep descriptions. CDL Test Dynamic Prep is good for all 50 states. *CDL Test Dynamic Prep* Al Morton, 2020-01-20 Since the Federal Government established regulations for the commercial driver's license CDL ALL STATES test drivers on the same material.
