Sheala - Celestial Passions Judy Mays,2007-06 Sir Geoffrey has never believed in magic Even so when King Liam sends him in search of the mysterious witch of Caernathen he has no choice but to obey When his errand takes him to the beautiful and sensuous Leonore he is soon entangled in her spells and her bed Leonore has always known exactly what she wants and needs from a man and it seems that Geoffrey fits the bill in every way But the king s purpose in sending for her to help find and rescue the abducted Crown Prince propels her on a mission more challenging than she could have anticipated Complicating matters are the king s court mystics who are jealous of Leonore s superior power and King Liam s confidence in her And they aren t the only ones who are jealous Geoffrey finds that both Liam and Prince Wesley are competing for Leonore s affections When Leonore finds herself in the position of having to choose between a king a prince and a noble knight everything she has come to believe about men herself and the source of her magic will be challenged She must decide between power or love

Celestial Embrace Isabel Rogan,2023-04-19 The Titans defeated the Olympians and restored peace Theia gave Zeus rule over Mount Olympus whilst she drove the chaos out Selene is the daughter of Zeus and Hera promised to a Titan prince so that the cosmos can be once again united in peace Theia was the Titan who had defeated Cronus during the Battle of the Gods yet the one thing she wanted about all else was the one thing she couldn t have Few believe in love at first sight but for Theia and Selene this is exactly what happens From the first moment that they meet there is an instant connection that neither can explain Sadly any relationship with Theia is forbidden The greatest love stories are not those in which love is only spoken but those in which it is acted upon Love like everything else in life should be a discovery an adventure and like most adventures you don t know you re having one until you re right in the middle of it When Zeus finds out about their relationship he curses Selene and banishes her to earth with no memory of her previous life Now it s up to Theia to remind Selene of their love Journey with them through time as this couple fights for a love so precious that it withstands many obstacles and challenges that threaten to tear the two lovers apart
