**Summary: Shattered:**

**Inside Hillary Clinton's Doomed Campaign by Jonathan Allen and Amie Parnes** Short and Sweet, 2017-06-06

Shattered Inside Hillary Clinton's Doomed Campaign begins before Hillary announced her campaign. The authors note that she saw herself from the very beginning as nearly unbeatable even as she had yet to officially run. She thought they write that she had a rendezvous with destiny and that her winning was very nearly predetermined. This attitude implies the authors would plague Hillary right to the end. This is the sense in which this book is a story of psychology, the psychology of the ruling class which is just what the eventual winner of the general election railed against for months. Hillary's sense of entitlement is what is put on display in this book and it seems if the authors are right to have determined her responses to every setback and potential boon along the way. In this summary and analysis companion book you will experience a detailed chapter to chapter analysis that really breaks down the book into a clear, concise and quick summary. Don't hesitate, buy it today. NOTE TO READERS: This is an unofficial summary and analysis companion book. This is meant to enhance your original reading experience. We encourage you to pick up the original version as well.
