*Once Upon Internal Control: A Tale of Good and Bad Ways to Implement Internal Controls in a Local Church* James Ulvog,2013-10-23 Once upon a time there were two churches One did not pay attention to putting in place good procedures They will pay a sad price for the lack of internal controls Another church develops some good procedures which prevent those troubles They also are safe when attacked by anonymous accusations You may be thinking why should we bother with all that internal control stuff in our local church After all our finance staff is very good at what they do We trust them completely Through two simple stories this fable shows why that is not enough We should bother to set up good procedures to protect our churches our staff and ourselves Intentionally short so the book can easily be read in one sitting

*Church Administration and Finance Manual* Otto F. Crumroy,Stan Kukawka,Frank M. Witman,Paul D. Witman,2023-09-19 A field tested guide to the management and finance of church congregations revised for a new generation Clergy are generally equipped to preach and provide spiritual care But when it comes to budgets insurance fire safety and church management many find themselves at a loss The Church Administration and Finance Manual is the classic guide to running a church written to answer key questions for clergy and lay leaders Not simply a theoretical resource the Manual provides suggestions for almost every aspect of parish administration position descriptions financial forms materials for stewardship and Christian education building use and safety issues employee record keeping and much more This revised edition offers guidance on many new topics that are of vital importance to churches including protecting children information security approaches to preventing and responding to violence planned giving social media and hybrid work and worship Whether clergy are just out of seminary or well seasoned in parish life the Manual is full of excellent guidelines tools and forms for improving the management of the parish

*Tragedy of Fraud: Insider Trading Edition* James Ulvog,2014-09-03 The fall from Big 4 audit partner to prison inmate In March 2013 Scott London CPA was a partner in the international accounting firm of KPMG He was in charge of the audit practice for the southwest region with responsibility and authority over 500 accountants In April 2013 he saw his photograph on the front page of major national newspapers He was accepting a payment from his golf buddy as payment for information he provided that was used for insider trading A year later in April 2014 he was in front of a federal judge hearing that he would spend 14 months in federal prison for insider trading In this book you will read of his fall from the dream job at the professional peak of his career to a convict residing in a federal

penitentiary There is a long list of additional consequences he pays for his illegal behavior ranging from losing his CPA license knowing he will be the subject of case studies for decades never being able to talk to his former colleagues again and having his college age daughter listen to her accounting professor discuss her dad's illegal behavior in class **Manual of the First Congregational Church in Northfield, Vt., July, 1876** First Congregational Church (Northfield, Vt.), 1876

Financial Planning and Evaluation for the Nonprofit Organization Anthony Joseph Gambino, Thomas J. Reardon, 1981

**Audit. Review. Compilation. What's the Difference?** James Ulvog, 2014-01-17 Your CPA firm could provide one of several levels of services when you hired them to look at your financial statements and issue a report. They could perform an audit or a review or a compilation. There won't be big visual differences in the report they issue, but there will be huge differences in cost. The reason you get the CPA's involvement in the first place is to communicate your financial information to outside parties. There is a huge difference in the comfort level those outsiders get from reading the CPA's report. So of an audit, review, and compilation which should you get? It depends. This book will help you understand the differences between these three very different services so you can understand the conversation with your CPA and can better determine what services you need.

**Tragedy of Fraud: The Ripple Effects From Fraud and the Wages Earned** James Ulvog, 2013-11-20 Just like throwing a stone into a calm lake produces ripples all over the water, fraud creates widespread ripples. Chapter 1 discusses the tragic effects of a fraud in a local church. The damage spreads out to harm a lot of people. The wide ripples in the life of the fraudster and surprise victims are rarely seen. Chapter 2 discusses the wages of fraud. Wages are something we work for, deserve, and are entitled to. Likewise, in a fraud, there are wages rightfully earned that will be paid in full. Wages for a mayor include jail, publicity, loss of employment, bankruptcy, and divorce. Chapter 3 looks at the fraud in the mayor's office as a case study of why frauds in general are difficult for an auditor to find. Corruption frauds are even tougher to uncover. Chapter 4 discusses the three sides of the fraud triangle and what organizations can do to minimize the factors. When opportunity, motivation, and rationalization get together, the conditions are set for a fraud.

**Guidelines Finance** Cokesbury, 2016-11-15 The goal of the ministry of finance is to fund ministries that nurture persons in their faith. The finance system in the congregation will raise, manage, and disperse the funds of the congregation that help realize the mission and vision of the church. This Guideline is designed to help equip you in leading this ministry group in your congregation. This is one of the twenty six Guidelines for Leading Your Congregation 2017-2020 that cover church leadership areas including Church Council and Small Membership Church, the administrative areas of Finance and Trustees, and ministry areas focused on nurture, outreach, and witness including Worship, Evangelism, Stewardship, Christian Education, age level ministries, Communications, and more.
