*Healthy Christian That Pleases God* Elder William D. Holmes, 2013-05-31 In this book author Elder William D Holmes gives an  
account of life of the church how strong Christians used to be and how that people live for God with all their hearts soul and  
mind They conducted themselves as people of God in the way they dressed and live holy free from sin among the sinners  
They fasted prayed and testified and were saved sanctified baptized and filled with the Holy Ghost and fire The power of God  
was present in the church that it would knock and roll people on the floor They may not have money in their pockets or any of  
these worldly goods but they had Jesus in their souls on their way to heaven They may not have nice pews or carpet on the  
floor and some did not have much education but they had the power of God in their lives We are going to take a look at the  
church today how that we have better churches with modern technology We are more educated and have more money but  
what happened to the power of God from the old church Christians today cannot testify living free from sin Some cannot  
shout and praise God until they get all sweaty Pride has taken over the church today Christians have become spiritually sick  
There are so many teachings doctrines and cults to confuse people Satan has taken a seat in the church In the midst of all of  
these a Christian today can be healthy We are going to take a look at how a person can live a life to please God today in our  
generation just like the saints of old Most of all well look at how to make heaven your home      *A Philosophy of Church  
Music* Robert D. Berglund, 1985 Robert Berglund says a worship service is not a concert time It is not an hour of  
entertainment It is a time to worship God in spirit and in truth In the Christian realm however the worship service seems to  
be a musical battleground On one hand church music is seen as utilitarian Its only purpose is to allow worship to begin or  
continue throughout a church service On the other hand music can exist purely for entertainment But is a worship service  
the place for entertainment Shouldn't a worship service be designed only to worship God A Philosophy of Church Music  
presents an integrated look at church music Theological philosophical and psychological responses to the question of  
appropriate and consistent church music are considered to assist you in developing your personal church music philosophy
