Ready to Restore Jay E. Adams, 1981 Here at last is a guide to Christian counseling written specifically for laymen. Dr Adams wrote this book in response to hundreds of requests from Christian laymen and pastors. It provides help in a form that is both simple and nontechnical yet biblical and comprehensive. Although *Ready to Restore* is simple and easy to use as a beginning textbook unlike many simple books it is neither simplistic nor superficial. Its contents are the fruit of the author's arduous Bible study as well as his long and successful ministry of the Word in counseling. The chapters comprise a true picture of Christian counseling in a coherent and systematic way. This book can be used effectively for individual study but the content, scope, format and language have been especially designed for textbook use in Bible colleges, churches, Bible study groups, prayer meetings or older youth groups.
