**Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context** Yordan Kalev Zhekov, 2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system

**What Is a Game?** Gaines S. Hubbell, Mathew Wilhelm Kapell, 2020-02-14 What is a videogame What makes a videogame good If a game is supposed to be fun can it be fun without a good story If another is supposed to be an accurate simulation does it still need to be entertaining With the ever expanding explosion of new videogames and new developments in the gaming world questions about videogame criticism are becoming more complex The differing definitions that players and critics use to decide what a game is and what makes a game successful often lead to different ideas of how games succeed or fail This collection of new essays puts on display the variety and ambiguity of videogames Each essay is a work of game criticism that takes a different approach to defining the game and analyzing it Through analysis and critical methods these essays discuss whether a game is defined by its rules its narrative its technology or by the activity of playing it and the tensions between these definitions With essays on Overwatch Dark Souls 3 Far Cry 4 Farmville and more this collection attempts to show the complex changes challenges and advances to game criticism in the era of videogames
