Deflowered Jon Ginoli, 2009-03-01 We re the buttfuckers of rock and roll We want to sock it to your hole With these words written in a notebook Jon Ginoli sets off on a journey of self discovery and musical passion to become the founding member of Pansy Division the first out and proud queercore punk rock band to hit the semi big time Set against the changing decades of music we follow the band from their inception in San Francisco to their search for a music label and a permanent drummer to their current status as indie rock icons We see the highs touring with Green Day and the lows homophobic fans of striving for acceptance and success in the world of rock Replete with the requisite tales of sex drugs groupies band fights and label battles this rollicking memoir is also an impassioned account of staying true to the artistic vision of queer rock n roll
