*The Degradation of Our Representative System and Its Reform* Joshua Francis Fisher,1863     *The Degradation of Our Representative System and Its Reform (Classic Reprint)* J. Francis Fisher,2015-07-12 Excerpt from The Degradation of Our Representative System and Its Reform Whatever may be the result of the bloody war now raging it is presumed there is no one who does not see that it has already given such a shock to our republican institutions that they will require great and important modifications if not a reconstruction from their very foundation Many changes must be made both to give the requisite strength to the general Government and to prevent that strength being abused to consolidate the restored or diminished confederacy and at the same time to save our local institutions our personal liberties from extinction above all to guard us if possible from the evils we have experienced in our system of election for National offices especially that of President of the United States evils which will be greatly augmented in the inevitable consequence of the present war the enormous military power of the Executive About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Handbook of Electoral System Choice** J. Colomer,2016-01-05 The topic of electoral reform is an extremely timely one The accelerated expansion of the number of new democracies in the world generates increasing demand for advice on the choice of electoral rules at the same time a new reformism in well established democracies seeks new formulae favouring both more representative institutions and more accountable rulers The Handbook of Electoral System Choice addresses the theoretical and comparative issues of electoral reform in relation to democratization political strategies in established democracies and the relative performance of different electoral systems Case studies on virtually every major democracy or democratizing country in the world are included
