Hacker,Suzanne Mettler,2007-11-08 Over the past three decades the contours of American social economic and political life have changed dramatically The post war patterns of broadly distributed economic growth have

given way to stark inequalities of income and wealth the GOP and its allies have gained power and shifted U S politics rightward and the role of government in the lives of Americans has changed fundamentally Remaking America explores how these trends are related investigating the complex interactions of economics politics and public policy Remaking America explains how the broad restructuring of government policy has both reflected and propelled major shifts in the character of inequality and democracy in the United States The contributors explore how recent political and policy changes affect not just the social standing of Americans but also the character of democratic citizenship in the United States today Lawrence Jacobs shows how partisan politics public opinion and interest groups have shaped the evolution of Medicare but also how Medicare itself restructured health politics in America Kimberly Morgan explains how highly visible tax policies created an opportunity for conservatives to lead a grassroots tax revolt that ultimately eroded of the revenues needed for social welfare programs Deborah Stone explores how new policies have redefined participation in the labor force as opposed to fulfilling family or civic obligations as the central criterion of citizenship Frances Fox Piven explains how low income women remain creative and vital political actors in an era in which welfare programs increasingly subject them to stringent behavioral requirements and monitoring Joshua Guetzkow and Bruce Western document the rise of mass incarceration in America and illuminate its unhealthy effects on state social policy efforts and the civic status of African American men For many disadvantaged Americans who used to look to government as a source of opportunity and security the state has become increasingly paternalistic and punitive Far from standing alone their experience reflects a broader set of political victories and policy revolutions that have fundamentally altered American democracy and society Empirically grounded and theoretically informed Remaking America connects the dots to provide insight into the remarkable social and political changes of the last three decades

The iPINIONS Journal Anthony Livingston Hall, 2014-03-04 ANTHONY L HALL takes aim at the global events of 2013 with a unique and refreshing perspective Here are some of the topics he addresses Public outrage over NSA spying There s no rationalizing their outrage over the NSA monitoring their promiscuous and indiscriminate footprints online and via telephone For evidently these nincompoops think it s okay for Google Amazon Yahoo Facebook and others to spy on them to sell them stuff but not okay for the NSA to do so to keep them safe National praise NBA player Jason Collins got for coming out His courageous stand is somewhat undermined by the fact that he waited to take it on his way out of the league Women who d rather pose nude than be caught without makeup Who would ve thought the liberation inherent in the sexual revolution and feminist movement would devolve into a self abnegating farce where women themselves consider it a brave decision to go out in public without makeup Mediterranean Sea becoming a graveyard for Africans migrants I just hope the damning irony is not lost on any proud African that 50 years after decolonization hundreds of Africans men women and children are risking their lives practically every day to subjugate themselves to the paternal mercies of their former colonial masters in Europe Pope rebuking church for neglecting poor Nothing indicates how far
