

Developmental Trauma Healing: Supporting Elements

Progress in any of these supporting elements supports progress and stabilization in the other elements.

For example, through claiming my voice and finding the clarity and courage to speak up and be seen, I can reinforce my sense of self-worth, feel my needs more clearly, and feed my creativity and other forms of expression.

Other Elements that could be included here are Boundaries, Gratitude, Curiosity, Faith, Hope, Breath, and Life Force

issue It is shaped by ancestral burdens passed down through generations and by the collective pain we experience from the world around us Beloved teachers Richard Schwartz and Thomas H bl bring together their wisdom to chart a new path forward that addresses these deeper layers of wounding so we can heal ourselves our communities and our world In this powerful book H bl and Schwartz help us understand why individual trauma cannot be separated from the legacies of shared past and present traumas The authors explore their respective approaches to trauma healing and how these modalities can work together Schwartz is the creator of IFS a highly effective evidence based therapeutic approach that teaches that we all contain many parts and also have an undamaged healing Self H bl has done powerful work on trauma healing particularly collectively and in groups Together they offer methods and practices that help us begin to Release beliefs and emotions that no longer serve us Break cycles of harm Expand our awareness Become more compassionate and curious as we heal A chapter from Fatimah Finney a licensed mental health counselor and a trainer at the IFS Institute helps us apply these methods to the wounds caused by social injustices such as racial bias and oppression Through this work H bl shares We can unload the burden and create a more flourishing world

Journey Through Trauma Gretchen Schmelzer, PhD, 2018-02-06

As a therapist Gretchen Schmelzer has watched far too many people quit during treatment for trauma recovery They find it too difficult or frightening or they decide that it is just too late for them Schmelzer wrote Journey Through Trauma specifically for survivors to help them understand the terrain of the healing process and stay on the path She begins by laying out three important assumptions that support a survivor s healing that it is possible that it requires courage and that it cannot be done alone Traumas that happen more than once child abuse sexual abuse domestic violence gang violence war are all relational traumas They are traumas that happen inside a relationship and therefore must be healed inside a relationship whether that relationship is with a therapist or within a group She then guides readers through the five phases that every survivor must negotiate Preparation Unintegration Identification Integration and Consolidation She creates a mental map of the healing process that helps survivors recognize where they are in their journey to health see where the hard parts occur and persevere in the process of getting well Since the cycle of healing repeated trauma is not linear the survivor comes to understand that circling back around to a previous stage actually means progress as well as facing new challenges Ultimately the healing journey is one of trust as survivors come to trust their capacity to rely on help from others and to trust themselves and the work they have done
