We are three teachers who developed this comprehensive resource when we worked together through the transition from the North Carolina Standard Course of Study to the Common Core State Standards CCSS. It came about from a moment of near panic when we were sitting at a table in the library after school and it seemed to hit us at the same time how much more the CCSS expected of students. We looked at each other and wondered how are we ever going to get our kids from here to there. But then we called on our various strengths, our creativity, our curricular understanding, our practicality.
