**The Chronicles; Ed., with an Introduction & Notes, by Richard G. Moulton...** ,1896 Chronicles of Chiang Khaeng Volker Grabowsky, Rēnū Wichāsin, 2008 Chronicles of Chiang Khaeng goes far beyond a mere annotated translation of four Lu chronicles The polyglot co authors Grabowsky and Wichasin take the annotations out of their meticulously researched footnotes of the translation proper and deftly integrate them into a history not only of a principality in northwestern Laos but a panorama of the jostlings for power among other chiang and their respective chao in the upper Mekong region This geographic area outlines a cultural realm that shared Buddhist ethics and dhammic writing while also subscribing to the notion of hierarchy reinforced by demands for tribute the display of regalia and pomp and the brutal armed removal of local populations in incessant wars over human resources Myth and history merge in these chronicles which document sibling and spousal rivalries in networks of intermarriage and political alliances among the elite of the region All of this was taking place at a time in history when the British and French arrived on the scene to engage China and newly emerging Siam in a mapping exercise that brought an end to centuries of regional rule by previously fairly autonomous city states In this careful study Chiang Khaeng emerges as a paradigm of a Southeast Asian tributary state with more than one overlord Chronicles is a model of translation skill and historical acumen at its finest Studies in Dreams Story-Maskelyne Arnold-Forster, 1921 Studies in Dreams by Story Maskelyne Arnold Forster first published in 1921 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it
