**factor persuasivo en la comunicación audiovisual** José Luis Hernández Olmedo,2017-01-17 Este libro explora la naturaleza de los valores analizando su papel en la comunicación audiovisual producida con fines persuasivos. Para ello toma como muestra de estudio la propaganda televisiva y publicitaria que apareció en forma de anuncios de televisión durante las campañas electorales españolas de los años 2008 2011 2015 y 2016. Para organizar los resultados se aprovecha la clasificación de Shalom H Schwartz. Estas herramientas en conjunto exponen las coincidencias y diferencias axiológicas entre la publicidad comercial y la propaganda política en el contexto electoral. Este libro puede resultar de gran interés para estudiantes y profesores de Comunicación Ciencias Sociales y Humanidades. También puede ser útil como referencia para futuras investigaciones relacionadas con el tema o como material de reflexión para profesionales dedicados a la creación o análisis de propaganda y publicidad. The Empty Net A very disheartened person asked me one day Could you tell me the meaning of life I replied I can't tell you what the meaning of life is. You have to discover that for yourself I can tell you however what the meaning of life is not. Life is not a series of disconnected events. Life is not to be spent centered on ourselves forgetting we are part of a whole. Life is not about just living for the moment forgetting about yesterday's events or tomorrow's consequences. Life is not a continuous investigation of the meaning of life based purely on human understanding. Life is not to be spent in an attempt to lessen the sorrows of daily living. So then where are the answers to the questions in life he asked with increased perplexity on his face. The answer has already been given to

us from the foundation of the world Jesus Christ the Savior of humankind guides us to all the answers because He IS the answer He is the One who invites us to cast our empty nets into the ocean and venture out in our small boats deep into the depths of His Love and Grace Put out into deep water and let down the nets for a catch Luke 5:4 NIV Simone Stone has a Masters degree in Media Communications and has worked as a university professor in her native country Colombia She is a member of the Committee for the Emergent Generation Project with Crown Financial Concepts and serves as a volunteer counselor and teacher of parenting classes for a Pro Life Organization Simone Stone lives in Atlanta Georgia with her husband and their children
