hidden away in a castle with two of the most damaged but handsome men she's ever laid eyes on. She knows she needs to find a way back home to her sister but as time passes Olivia realizes that the only way for her to find peace might just be to accept where fate has placed her. With friends among the castle's staff and their intriguing laird to keep her occupied the heartache of being ripped away from the life she knew before begins to heal. However despite Olivia's efforts to move forward her troubles are far from over and she may be in more danger than she ever could have imagined. Paton Buchanan thought his sacrifice would mean something when he willingly stepped into the land of the fae to save his friend. Instead the years spent in their prison cost him and everyone he loved everything. Once released Paton has nowhere to go but the home of his youth. But overseeing his late father's land comes with its challenges and finding any semblance of happiness for himself seems unlikely until a strange lass from the future arrives and reminds him of the people he'd once loved so much. Her perpetual optimism and kindness make it easy for him to fall in love with her. Slowly the hurt inside him begins to fade. But her life belongs in the future and he knows he cannot ask her to sacrifice that for him. Will his love for her be enough to convince her to stay or will he be forced to lose yet another person he loves. And if she does stay do they have what it takes to keep one another safe from the outside threat that looms over them both.

She left her whole world behind to find the one thing that really matters. Jane Mitchell has many dreams for her life but living in the seventeenth century was never one of them. Unknowingly transported through time by the meddling witch Morna Jane chooses to stay in the past so she can remain in her beloved nephew's life. Castle life doesn't really suit her and Jane quickly finds that her love for her family isn't enough to fill her hungry soul. Eager for purpose she takes work at the village inn. One frigid evening she takes in the most infuriating man she's ever met never suspecting for a moment that he could be the one her soul hungers for. Adwen MacChristy doesn't want to be laird of Cagair Castle. With a youth spent traveling the world and sleeping beneath the stars in the company of loose women nothing weighs on Adwen's heart like knowing the life he loves is about to come to an end. He would rather spend his days as a penniless wanderer than take on the responsibilities handed to him by his father. On his last night of freedom Adwen stops at the inn near McMillan Castle and meets the only lass to ever deny his advances bewitching him in an instant. Suddenly he finds himself believing that responsibility might not mean a life spent in chains if he has a fiery lass like Jane by his side.
