Concerning the Eternal Predestination of God Jean Calvin, 1997-01-01 The name of John Calvin is often associated with the doctrine of predestination Readers will witness Calvin masterfully arguing his points wrestling with the Scriptures and pressing his polemic

*Concerning the Eternal Predestination of God* John Calvin, In this seminal work John Calvin presents a powerful and thought provoking exploration of the doctrine of predestination With meticulous attention to Scripture and a deep understanding of theology Calvin argues for the sovereignty of God in the salvation of individuals This book offers a compelling perspective on one of the most complex and controversial topics in Christian theology shedding light on the nature of God's grace and the ultimate destiny of humanity

**Concerning the Eternal Predestination of God** John Calvin, 2018-12-27 Although he wrote comprehensively on a wide range of doctrinal issues it is Predestination with which Calvin is most associated today In this his definitive text on the subject he outlines fully a doctrine he feels has been wilfully misinterpreted to the detriment of the Church Readers will witness Calvin masterfully arguing his points wrestling with the scriptures and fully engaging in the polemical world of sixteenth century theological debate as he refutes the views of three of his chief detractors J K S Reid's widely praised translation preserves the nuances of Calvin's thought and the strength of his rhetoric while his introduction offers a critical examination of Calvin's theological argument

**A Treatise on the Eternal Predestination of God** John Calvin, 2018-09-21 This volume contains two of the lesser known but nevertheless very significant treatises of John Calvin Any publication of the works of the great reformer and teacher is its own best justification and needs no explanation or apology The reprinting of this little volume however has an interesting history Until 1929 Calvin's Calvinism was virtually unknown in the United States It had not been included in the Calvin Translation Society's classic set of the works of John Calvin but had been separately translated by Henry Cole and published in England but not in the United States In 1927 it was reprinted in England by the Sovereign Grace Union of which the Reverend Henry Atherton was General Secretary In 1929 the late Reverend Herman Hoeksema visited Mr Atherton in London and preached for him in Grove Chapel Camberwell London on July 21 In remembrance of that occasion the Reverend Atherton presented the Reverend Hoeksema an inscribed copy of the book Calvin's Calvinism That event became the occasion of this work of Calvin becoming better known among Reformed people in this country partly through Herman Hoeksema's writing about and referring to it Later upon the suggestion of a Protestant Reformed minister the late Reverend Gerrit Vos the late Mr William B Eerdmans Sr included this volume in 1950 in the republication of Calvin's works at that time Since then it has long been out of print Because it sets forth so clearly John Calvin's teaching and defense of the sovereignty of God in predestination and providence it is now republished We hope it will reach a broad readership The only change made in this volume is the addition of an Index of Scripture Passages Cited
