Core Questions In Philosophy Edition 6th Edition Sober:

Ways of Being in the World Andrea Sullivan-Clarke, 2023-08-22 Ways of Being in the World is an anthology of the Indigenous philosophical thought of communities across Turtle Island offering readings on a variety of topics spanning many times and geographic locations It was created especially to meet the needs of instructors who want to add Indigenous philosophy to their courses but are unsure where to begin as well as for students Indigenous or otherwise who wish to broaden their horizons with materials not found in the typical philosophy course This collection is an invitation to embark on a relationship with Indigenous peoples through the introduction of their unique philosophies

Recasting Hume and Early Modern Philosophy Paul Russell, 2021-07-13 The philosopher Paul Russell is well known for his scholarship on Hume and free will This volume collects Russell's most important essays on Hume with some articles addressing early modern philosophy more generally The volume is organized thematically into five sections metaphysics free will ethics religion and general interpretations of Hume's philosophy In a substantive introduction Russell outlines how his insights overlap and connect to various topics in contemporary philosophy Recasting Hume and Early Modern Philosophy presents the reader with Russell's substantial and interconnected observations and insights on the matters and figures of the greatest importance in early modern philosophy

The Bloomsbury Encyclopedia of Philosophers in America John R. Shook, 2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history

A Fundamental Mistake Graham Cliff, 2012-06-01 Does it puzzle you that despite ever increasing rules controls and counter measures antisocial behaviour is seemingly spiralling out of control Why have there been riots in Britain Why is law enforcement failing to make our society a better place in which to live Have our politicians lost the plot Are our values wrong A Fundamental Mistake explains why a change of direction is needed in society's thinking about how to get people to behave themselves it also offers a carefully argued strategy by which to achieve this The emphasis needs to shift away from coercion and

punishment and towards inducement and reward The remarkable thing is that although we already have the necessary knowledge it is not put to good use Taking a fresh approach Graham Cliff draws on mainstream behavioural psychology and applied ethics to make his case for challenging some of our time honoured cultural assumptions and practices Be prepared to re think your position Despite the weightiness of the subject this is a book for everyone because it works up from first principles in a readily readable way No expertise is needed to follow the flow from the basics of human nature to the way our minds work then through the web of customs and rules that make up society on to government laws and punishment and finally to how and why things might be done differently Nobody will agree with everything that A Fundamental Mistake has to say because that is what debate is all about However it is as well to remember this when it comes to tackling antisocial behaviour it is not enough just to get tough we must get clever too
