Corporate Discourse Ruth Breeze:

Corporate Discourse Ruth Breeze, 2013-08-15 Corporate discourse examines business communication practices from a discourse perspective looking in detail at the ways in which corporations around the world communicate with individuals with other collective entities and with the world at large It is concerned with understanding how language works in business contexts and how corporate identity and personal and professional relationships are configured through discourse Using a range of analytical techniques to examine different forms of textual evidence from companies operating in many sectors this book maps out current developments in corporate discourse against the complex background of globalization **Corporate**

Discourse Ruth Breeze, 2013 Ethics in Professional and Corporate Discourse Giuliana Elena Garzone, Paola Catenaccio, 2022-07-15 Ethics Whether explicit or implicit it plays a key role in our lives guiding our decisions and shaping our view of what the world including the world of business is or ought to be like This volume provides a thorough description of the language that is used to encode ethics to deal with ethical issues and to express ethical values in business and professional discourses It explores the relationship between ethics and ethos in a variety of professional and corporate texts and genres and investigates the role and positioning of ethics in today's cultural environment shedding light on how it is negotiated vis vis other values in the pursuit of business and professional goals Thanks to its rigorous linguistic approach the analysis fills a significant gap in the burgeoning scholarship on ethics in discourse laying the ground for a better understanding of what ethical pronouncements do linguistically and pragmatically Incorporating Rights Erika

George, 2021-08-17 This book explores how capital and consumer markets could provide an additional or alternative form of enforcement to promote responsible business conduct By examining existing and emerging strategies to better align business policies and practices with respect for human rights it explains the power activists investors and consumers possess to impact corporate human rights communications and conduct **Manufacturing Dissent** Cornelia Ilie, 2024-01-15

Spotlighting case studies of manipulation practices at the onset of the Covid 19 crisis in different countries and socio political circumstances the authors expose context specific discourse and argumentation strategies of infodemics misleading information and fake news public policy mismanagement deceptive online and offline communication tactics and conspiracy narratives which end up disrupting community social cohesion In addition to targeting manipulation driven dissent across discourse genres through corpus based investigations a major strength of this volume consists in debunking manipulation while foregrounding compelling acts of counter manipulation The volume's breadth of topics depth of analytical insights and range of methodological frameworks provide unique perspectives by capturing crisis related manipulations across a worldwide political and cultural spectrum Austria Brazil China the Czech Republic Portugal Sweden Switzerland United Kingdom United States with a focus on the scale and extent of multifaceted repercussions Reaching beyond the boundaries of pragmatics and discourse analysis this book should be a valuable resource for researchers and practitioners of rhetoric

argumentation media studies social and political sciences

The Discourse of Customer Service Tweets Ursula

Lutzky, 2021-10-21 *The Discourse of Customer Service Tweets* studies the discursive and pragmatic features of customer service interactions making use of a corpus of over 1.5 million tweets from more than thirty different companies. With Twitter being used as a professional service channel by many transport operators, this book features an empirical analysis of British and Irish train companies and airlines that provide updates and travel assistance on the platform often on a 24/7 basis. From managing crises in the midst of strike action to ensuring passengers feel comfortable on board, Twitter allows transport operators to communicate with their customers in real time. Analysing patterns of language use as well as platform-specific features for their communicative functions, Ursula Lutzky enhances our understanding of customers' linguistic expectations on Twitter and of what makes for successful or unsuccessful interaction. Of interest to anyone researching discourse analysis, business communication and social media, this book's findings pave the way for practical applications in customer service.

Spoken Discourse Rodney Jones, 2016-07-28 This book provides an overview of current theories of and methods for analysing spoken discourse. It includes discussions of both the more traditional approaches of pragmatics, conversation analysis, interactional sociolinguistics, linguistic anthropology and critical discourse analysis, and more recently developed approaches such as multimodal discourse analysis and critical sociolinguistics. Rather than treating these perspectives as mutually exclusive, the book introduces a framework based on principles from mediated discourse analysis in which different approaches to spoken discourse are seen as complementing and informing one another. In this framework, spoken discourse is seen as mediated through a complex collection of technological, semiotic and cultural tools which enable and constrain people's ability to engage in different kinds of social actions, enact different kinds of social identities and form different kinds of social relationships. A major focus of the volume is on the way technological tools like telephones, broadcast media, digital technologies are changing the way people communicate with spoken language. The book is suitable for use as a textbook in advanced courses in discourse analysis and language in social interaction and will also be of interest to scholars in a variety of fields including linguistics, sociology, media studies and anthropology.

Pandemic and Crisis Discourse Andreas

Musolff, Ruth Breeze, Kayo Kondo, Sara Vilar-Lluch, 2022-02-10 The COVID-19 pandemic has led to a host of critical reflections about discourse practices dealing with public health issues. Situating crisis communication at the centre of societal and political debates about responses to the pandemic, this volume analyses the discursive strategies used in a variety of settings. Exploring how crisis discourse has become a part of managing the public health crisis itself, this book focuses on the communicative tasks and challenges for both speakers and their public audiences in seven areas: establishment of discursive and political authority; official governmental and expert communication to the public; public understanding of government communication; legitimization of public health management as a war; judging and blaming a collective other; cross-national comparison and rivalry; empathy and encouragement. Covering global discourses from Asia, Europe, the Middle East, North and

South America and New Zealand chapters use corpus based data to cast light on these issues from a variety of languages With crisis discourse already the object of fierce national and international debates about the appropriateness of specific communicative styles information management and verbal hygiene Pandemic and Crisis Discourse offers an authoritative intervention from language experts **Religion Index One** ,1993 **MLA International Bibliography of Books and Articles on the Modern Languages and Literatures** ,2007 South Street Reporter ,1968 **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **Teaching English-Medium Instruction Courses in Higher Education** Ruth Breeze,Carmen Sancho Guinda,2021-10-07 This book provides practical help and guidance for non native English speaking higher education lecturers faced with the need to deliver lectures and seminars in English It builds on the authors years of experience as researchers and teacher trainers in the area of English Medium Instruction EMI combining practical advice and research findings with useful case studies from different global settings including Australia China Hong Kong Slovakia Spain the UK and the USA and a range of subject areas such as philosophy mathematics and genetics The authors present an overview of what generally happens when university teachers make the transition to teaching in English After dispelling some common myths and setting out priorities Ruth Breeze and Carmen Sancho Guinda move on to explain how practitioners can prepare to give lectures and interact with both local and international students effectively in English tackling difficult issues such as encouraging participation promoting creativity and critical thinking and evaluating written student work The final chapters address good practices in EMI proposing ways to achieve excellence in global settings Narrating Migrations from Africa and the Middle East Ruth Breeze,Sarali Gintsburg,Mike Baynham,2022-09-08 Exploring narratives produced by different groups of MENA and SSA migrants or refugees this book focuses on the spatial and temporal aspects of their experiences In doing so the authors examine a wide range of accounts of journeys to host countries and memories or recreations of home The spaces that migrants occupy or not in their new country the spaces and times they share with local populations and different conceptions of space and time across generations are also investigated as are how feelings surrounding space and time are manifested within these different narratives and their affective discursive practices Taking both a traditional linear view of migration as well as a multilinear multimodal approach the book presents an in depth investigation into the ways in which people inhabit multiple real and digital spaces Corporate Success in a Diverse World Monica M. Valentine,2018 *The Context and Media of Legal Discourse* Girolamo Tessuto,Vijay K. Bhatia,Ruth Breeze,Birte Bös,Martin Solly,2020-02-24 This volume provides new insights into the diverse and complex contexts of legal discourse and activity performed across a variety of socially and culturally informed digital media transformations It addresses topical issues of legal discourse performed by Web mediated technologies and social media usage in professional and institutional contexts of communication Its analyses rely on specific perspectives varied applications and different methodological procedures providing a multifaceted overview of ongoing

research and knowledge in the field **Imagining the Peoples of Europe** Jan Zienkowski, Ruth Breeze, 2019-08-13 The political landscape in Europe is currently going through a phase of rapid change New actors and movements that claim to represent the will of the people are attracting considerable public attention with dramatic consequences for election outcomes This volume explores the new political order with a particular focus on discursive constructions of the people and the category of populism across the spectrum It shows how a unitary representation of the people is a central element in a vast range of very diverse political discourses today acting to anchor identities and project antagonisms in a multitude of settings The chapters in this book explore commonality and contrast in representations of the people in both radical and mainstream political movements looking in depth at recent political discourses in the European sphere The authors draw on approaches ranging from Essex style discourse theory over critical discourse studies corpus analysis and linguistic pragmatics to investigate how historically situated categories such as the people and populism become fixed through local linguistic textual and narrative practices as well as through wider ideological and discursive patterns As of January 2023 this e book is freely available thanks to the support of libraries working with Knowledge Unlatched *Handbook of Business Discourse* Francesca Bargiela-Chiappini, 2009-05-12 The Handbook of Business Discourse is the most comprehensive overview of the field to date It offers an accessible and authoritative introduction to a range of historical disciplinary methodological and cultural perspectives on business discourse and addresses many of the pressing issues facing a growing varied and increasingly international field of research The collection also illustrates some of the challenges of defining and delimiting a relatively recent and eclectic field of studies including debates on the very definition of business discourse Part One includes chapters on the origins advances and features of business discourse in Europe North America Australia and New Zealand Part Two covers methodological approaches such as mediated communication corpus linguistics organisational discourse multimodality race and management communication and rhetorical analysis Part Three moves on to look at disciplinary perspectives such as sociology pragmatics gender studies intercultural communication linguistic anthropology and business communication Part Four looks at cultural perspectives across a range of geographical areas including Spain Brazil Japan Korea China and Vietnam The concluding section reflects on future developments in Europe North America and Asia **Evaluation in Media Discourse** Ruth Breeze, Inés Olza, 2017 This book analyses European media discourses using a variety of tools including appraisal analysis argumentation theory multimodal approaches and corpus linguistics with various theoretical approaches including SFL and corpus informed discourse studies critical discourse analysis semio communicative approaches and Bakhtinian perspectives **Discourse, Communication and the Enterprise** Giuliana Garzone, Walter Giordano, 2018-06 This volume presents research studies that investigate various aspects of corporate communication from the viewpoint of language and discourse giving special attention to emerging issues and recent developments in times of rapid sociotechnical evolutions The studies included here are diverse in their outlook analytical

procedures and objects of enquiry spanning across various areas of corporate communication both external and internal such as corporate image and reputation management various forms of corporate behaviour branding at different levels including employer branding recruiting and consumer reviews Similarly diversified are the settings genres and media analysed from face to face interaction to communication through the press from traditional websites to social networking sites All the studies presented in this volume are set in a discourse analytical framework and share the ultimate purpose of providing new insights into the evolution of communication and discourse practices in the corporate environment taking account of the most important issues that have attracted researchers interest and are still open to debate
