**Fantasies of the American Family Sitcom** Tison Pugh,2018-02-27 The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family friendly sitcoms Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power as a kind of camouflage and as a foundation for family building The book examines how queerness at first latent became a vibrant yet continually conflicted part of the family sitcom tradition Taking into account elements such as the casting of child actors the use of and experimentation with plot traditions the contradictory interpretive valences of comedy and the subtle subversions

of moral standards by writers and directors Pugh points out how innocence and sexuality conflict on television As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family television history reveals a deeper queerer vision of family bonds *Shapers of American Childhood* Kathy Merlock Jackson,Mark I.
