## **Cosmic Code Vi Of The Earth Chronicles:**

The Cosmic Code (Book VI) Zecharia Sitchin, 2002-03-01 Reveals Zecharia Sitchin's groundbreaking research into the code left behind by the creators of humanity. Explains how the Anunnaki were not merely the mythical gods of the Sumerians but rather the founders of human life on Earth. Using Biblical and ancient Sumerian sources, explains how to decode these messages our star ancestors left behind. Daring to challenge our long held beliefs about the origins of man. Zecharia Sitchin suggests that humans are not the children of God but rather the children of the Anunnaki an ancient race from the planet Nibiru. His revolutionary theories are supported by his intense scrutiny of not only ancient Sumerian texts but also stone structures all over the world. The similarities and astrological significance of these formations suggests that rather than looking for guidance from leaders here on Earth humanity should instead look to the sky for answers. The Earth Chronicles deal with the history and prehistory of Earth and humankind. Each book in the series is based upon information written on clay tablets by the ancient civilizations of the Near East. For the first time the entire Earth Chronicles series is now available in a hardcover collector's edition.

**Wars of the Anunnaki** Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods evolving relationships with humanity their power struggles and the details of their nuclear war on Earth. Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain resulting in the obliteration of Sumerian civilization. Draws upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons. Examines the Anunnakis lack of higher consciousness their reliance on technology their sacred power objects and sacred geometry and the possibility of Anunnaki bases on Mars in the distant past. The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction. Drawing upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons. Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the gods that led up to it. The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer. Using genetic engineering they created modern humanity to do their mining work and installed themselves as our kings and our gods. Anunnaki god Enki had a fatherly relationship with the first two humans. Then Enlil Enki's brother took over as Commander of Earth instating a sole god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding. This shift imposed a blackout not only of the very human nature of the Anunnaki gods but also of humanity's own ancient past on Earth. Two of Enlil's attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel. His final attempt after coercing the Assembly of the Gods into voting yes was the nuclear bombing of 5 cities of the Jordan plain including Sodom and Gomorrah which resulted in the destruction of the Sumerian civilization and the Anunnakis own civilization on Earth including their space port in the Sinai. The author reveals how after each attempt humanity was saved by Enki's chief scientist Ninmah and Enki's son Hermes. The

author explores how the Anunnakis reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins

**DNA of the Gods** Chris H. Hardy,2014-03-21 An in depth study of humanity s Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah Shows how the concepts of sin and the inferiority of women arose from Enlil s will to keep humanity underdeveloped clashing with Enki s and Ninmah s plan to make us equal in intelligence Reveals how humanity s long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin Chris Hardy shows that the gods of ancient myth visitors from the planet Nibiru created us using their own divine DNA first through DNA extraction from their own ribs marrow and later by direct relations with early human females Drawing upon multiple sacred texts Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah with the help of Enki and Hermes She reveals how Ninmah s first female human creation Tiamat Eve contained more alien DNA than the earlier male one Adamu and how the biblical Noah represents the perfection of her work Examining the war between Anunnaki brothers Enki and Enlil Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil s attempts to enslave and then wipe out humanity repeatedly thwarted by Enki and Ninmah The author further explains how the sacred sexuality taught to humans still seen in Tantric practice became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace Showing that the god who created us was not the same god who expelled us from Eden Hardy explains that there will be no apocalypse because the Good Evil duality has never truly existed it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power With a full psychological understanding of how the ancient gods have shaped humanity s ongoing history of conflict we can move beyond the framework of my Good versus your Evil imposed by Enlil and begin to steer our own planetary destiny

The Short Book: An Alternative History Christian Bullock,2019-01-14 From the Babylonian Mystery School comes a glaring attempt at reconstructing the History of Mankind The Short Book An Alternative History is one that should not be over looked as it describes in detail what was and is known by the Babylonian Priest Caste In it are the extended History of the People from Nibiru the Anunnaki as well as the History of the Wild Men and also the History of Civilized Man It all started on another Planet in our Solar System Where Men like People first came from and brought with them to Earth the Means to Create Civilizations and Homo Sapiens Sapiens The Short Book An Alternative History is by no means the End All Be All But it is a Beginning to where we came from A true Alternative to what Mainstream Society at large has come to teach us Now for the very first time revealed in a Short Form so that it can clearly be examined and talked about openly by the Public or those who simply want Answers
