## **Courage Existence Michael Destefano:**

**The Courage of Existence** Michael Destefano, 2015-11-30 Even from the darkest of shadows and depths of human frailty true heroism can emerge From an ocean apart the paths of Sister Ignatius once Mary Willow and Charlie Finn cross inside the Kalma refugee camp in Darfur They are transcendent souls in utter conflict with themselves one another the world at large and were dropped into a place of conflict where each in their own way forces the other to better understand an irreconcilable world During a time of unimaginable struggle the dark paths upon which they had once walked are revealed and from these confessions blossoms a depth of human spirituality once believed unattainable    **New Statesman** ,1960
