Dorian Gray's Instagram Prince Penman, 2025-10-14 In a world obsessed with social media perfection Dorian Gray's Instagram Vanity Filters and the Pursuit of Perfection in the Digital Age reimagines Oscar Wilde's classic for our filtered lives. Meet Dorian a modern dreamer caught in the glow of likes shares and flawless selfies chasing an online image that hides his true self. As he navigates the seductive pull of digital fame his curated posts mask a growing emptiness echoing the timeless struggle between vanity and authenticity. Will he break free from the algorithm's grip to embrace his unfiltered heart? This gripping literary fiction novel dives deep into identity self worth and the cost of living for the screen. With raw evocative prose Prince Penman explores how social media shapes our lives from mood morphing filters in 2025 to the universal ache for real connection. Perfect for fans of introspective coming of age stories and contemporary fiction this book is a mirror to our digital age urging readers to question what it means to be truly seen. Step away from the feed and discover a story that's as real as it gets.

Who Owns Football? Nick Miller, 2024-11-07 a must read Daniel Storey Superb from the first page to the last Daniel Taylor Football journalist Nick Miller lifts the lid on football club ownership the defining issue shaping the modern game. Football club owners can take teams to the heights of the Champions League or send them out of existence entirely. They have to tread a precarious tightrope navigating the issues presented by super leagues rapidly escalating wages transfer fees and financial fair play. Who Owns Football uncovers the jeopardy strategies transformative successes and horror stories steering you through the complex world in which the people who control our game live and operate. There's the owner who was a safe breaker the man who tried to burn down his own stadium and even one who was accused of war crimes. This insightful guide is full of fascinating characters high finance and shady deals. Miller examines the forces at play and discusses how today's football club ownership models face up to an impending crisis. But among the potential doom there are some bright lights people who are doing things differently and might make you think there is some hope after all.

Watching While Black Rebooted! Beretta E. Smith-Shomade, 2023-11-10 Watching While Black Rebooted The Television and Digitality of Black Audiences examines what watching while Black means in an expanded U.S. televisual landscape. In this updated edition media scholars return to television and digital spaces to think anew about what engages and captures Black audiences and users and why it matters. Contributors traverse programs and platforms to wrestle with a changing television industry that has exploded and included Black audiences as a new and central target of its visioning. The book illuminates history care monetization and affect. Within these frames the chapters run the gamut from transmediation regional relevance and superhuman visioning to historical traumas and progress queer possibilities and how televisual programming can make viewers feel Black. Mostly the work tackles what the future looks like now for a changing televisual industry Black media makers and Black audiences. Chapters rethink such historically significant programs as Roots and Underground such seemingly innocuous programs as Soul Food and such contemporary and culturally complicated programs as Being Mary.

Jane and Atlanta The book makes a case for the centrality of these programs while always recognizing the racial dynamics that continue to shape Black representation on the small screen Painting a decidedly introspective portrait across forty years of Black television Watching While Black Rebooted sheds much needed light on under examined demographics broadens common audience considerations and gives deference to the preferences of audiences and producers of Black targeted programming
