Williams, MSW,2017-02-09 Dr Linda takes you on a voyage of tears and laughter as she reveals a heartbreakin journey paved with abuse and emotional trauma She is a survivor of domestic violence molestation sexual assault and a divorce that ended a 17 year marriage to a man who was later convicted as a sexual predator After decades of abusive and toxic relationships stifled professional growth and financial devastation she was forced to face how she could no longer ignore the dysfunction that ruled her life She couldn t change the past that haunted her So she decided to take revenge on it by helping other emotional trauma survivors This book uncovers the secrets that propel survivors of abuse and trauma from pain to purpose as they take back their power tap into the truth of who they are and live their best lives now Dr Linda illuminates the darkness of emotional trauma and reveals two powerful tools that are guaranteed to transform you from surviving to thriving after abuse and trauma **STELLAR REVIEWS** Williams dives right into the deep waters and shows us how to swim With striking honesty William gives us real world tools to combat negativity and find our true purpose in life I laughed cried and took notes like crazy I cannot recommend Whose Apple is it Anyway highly enough For anyone who has experienced difficult relationships and behavior patterns we just can t seem to break this is a MUST READ H Trentadue A phenomenal rare gem This is a book that I ve actually prayed for after reading several self improvement books that I just didn t get or struggled to get finish Through Linda s incredible story of her path to healing I was not only able to understand every bit of her story but I could not stop reading I laughed I cried and there were a few times I yelled out YES because The information was just clicking and hitting home for me L Holden [Alan Watts in Late-Twentieth-Century Discourse](#) Peter J. Columbus,2023-11-17 This book is an anthology of commentary and criticism written within the transitional period between Alan Watts 1973 death and the twenty first century intellectual horizon Comprised of 16 chapters written and published between 1974 and 1994 with up to date introductions from the essayists and other contemporary thinkers this volume opens a window onto unexplored grounds of Alan Watts impact within late twentieth century discourse an intermediate space where scholars reoriented their bearings through changing times and emerging academic trends Offering varied explanations and assessments of Alan Watts including his influence on the Beat and Hippie generations and his popularization of Zen Buddhism in America it tackles unaddressed questions within the milieu of late twentieth century America from the Reagan Revolution and religious conservatism to paradigm shifts in Buddhist studies and the rise of post colonial theory Contributors post mortem analyses and critiques of Watts allow for a thematic rendering of their consonance or dissonance with noted Beat Hippie and Zen Buddhism themes of his lifetime This volume will appeal to scholars and

students of humanistic psychology transpersonal psychology the psychology of religion comparative religion and American studies **Frustrating God** Luis Scott,2013-09 Have you ever asked how God s knowledge of the future impacts your life today Frustrating God offers a challenge to the assumptions of open theism and provides answers that are both refreshing and new Theologians and laypeople alike have struggled with the extent God s knowledge the limitations of human free will and the practical implications these ideas have for everyday life Why doesn t God do something about all the evil in the world Have you ever tried to answer the question about God s goodness in light of the fact that people He created will be lost for all eternity How can God answer prayers if He does not know and may not be able to anticipate the future consequences of those answers How do we resolve the apparent conflict between human freedom and God s overwhelming power You can find the answer to these and many more questions in Frustrating God In this challenge to the theological view of open theism Pastor Luis Scott offers a radically new alternative to the seemingly tense relationship between God s foreknowledge and human free will This deepened understanding of God s nature can enhance your perception of a God so magnificent that the only word to describe our struggle to know Him is frustrating In Frustrating God you will begin a journey to a deeper knowledge of the mysterious God of the Bible the God who baffles us but loves us enough to lay the penalty of sin upon His beloved Son

The Cross Rod Parsley,2013-10-01 Rediscovering the Beautiful Scandalous Cross of Jesus Christ The cross is the hinge point of human history It is the fulcrum of God s grand brilliant lever four thousand years in the crafting that in a single day pried a fallen world from Satan s grasp The centrality of the cross is the hallmark of an authentic life giving gospel But today we stand at an intersection a literal crossroads of history in which for many even those with a genuine love for God and His Word the cross has lost its importance In *The Cross* Rod Parsley takes you deep into the mysterious territories of what the Bible calls the foolishness of the cross and the scandal of Jesus s sacrifice to explore the significance of the cross in the unfailing light of Scripture It is at the foot of the cross and there alone that we can look with wonder upon the raw ferocity of God s love for us To accept it and glory in it this is the only truly rational response Come along as we rediscover the power majesty and beauty of the cross and learn anew how to claim that power for your life **Midway** ,1969
