**Developing a Healthy Prayer Life** H. Warren Casiday, 2003 **He Hears Your Prayers** Ron Auch, 2016-10-14 Author Ron Auch Sr has been teaching principles of prayer since 1980 His burden is to help individuals and churches develop a healthy prayer life There is so much more to experience in our relationship with Jesus as we learn how to spend quality time in his presence as there is in just going to church on Sundays If you are struggling in your communication with Jesus you need to learn the simple steps to a healthy prayer life detailed in this book We live in a day where communication with our Lord is imperative We need to learn how to pray things into existence Are you praying for a lost loved one someone s healing or for a broken marriage These things and much more are available for the person who learns the principles of spending quality time in prayer Developing Healthy Churches Robert Warren, 2014-12-09 Developing Healthy Churches is an

utterly practical and realistic guide for any leader seeking to revitalize and grow their church The long awaited sequel to the bestselling Healthy Churches Handbook this new volume will help you implement tried and tested approaches for healthy church growth in your parish *Building the Body* Gary L. McIntosh, Phil Stevenson, 2018-01-02 Just as a physically healthy person at an ideal weight and with good blood pressure and cholesterol numbers might not actually be fit enough to run a 5k so churches can appear healthy with no obvious issues maintaining a healthy size and yet not exhibit fitness A fit church is one that is not satisfied with merely coasting along with no problems A fit church is actively making disciples maturing in faith developing strong leaders reaching out to the community and more Building the Body offers pastors and church leaders twelve characteristics of fit churches and shows them how they can move their church through five levels of fitness from beginner all the way to elite just as an athlete through training and practice can become the top in his or her class Includes comparison charts at the end of each chapter so readers can clearly see where their church currently falls and concluding Complete the Progress Chart so that they can see what their goals should be for the future Pray Like Jesus Robert L. Morris Jr., 2019-07-17 What do all Christians talk about and do very little of Pray Yes prayer is the most talked about subject in Christendom but very few people regularly do it For most it is because no one has ever taught them Only six of Jesus s prayers are recorded in scripture Is that an accident Or could these six prayers teach us how to grow our prayer life deeper and wider than ever before Pray like Jesus is intended to be a simple spiritual how to manual for those who do not have a vital prayer life but seek one It is not intended to be an academic book as much as it is an epistle from a fellow believer who may have learned a few things in forty one years of ministry Author Robert L Morris Jr invites you to join him and look at six prayers of Jesus but you will intentionally not examine the Lord s Prayer in depth The reason is simple the Lord s Prayer contains valuable information on how disciples should pray but this book is about how Jesus personally prayed Pray like Jesus is not the destination but a directional sign Jesus and no other is the destination If you have longed for a prayer life that was more than treating God like a benevolent genie who granted wishes to those he favored then read on to see how prayer is so much more than that How to Develop a Powerful Prayer Life Gregory R. Frizzell, 2001-08-04 Today there are rising signs that God is calling His people back to Himself through prayer and repentance Yet most of God s children still feel intimidated about their prayer life Indeed many confess that prayer is the weakest area of their lives God wants us to change that

Stanger, 1989 **Reports of Student Christian Movements**, 1919 **Reports of Student Christian Movements** World's Student Christian Federation, 1919 A Time for Healing Harold Ivan Smith, 1994 This six unit course with three optional units offers

insightful principles from God's Word to help you in your personal journey to recovery The facilitator's guide provides administrative guidance and suggested activities for support group study     *The Last Christian Generation* Josh McDowell, David H. Bellis, 2006 The research on the current generation of young people reveals an alarming fact they have redefined what it means to be Christian The majority of our church young people do not believe Christ is the Son of God do not believe the Holy Spirit is a real entity and think doing good earns them a place in heaven And just as disturbing is the fact that their attitudes and behavior are virtually no different than those of non Christians In this defining message of his 40 years of ministry Josh McDowell strikes at the heart of the problem and offers a clear solution We must bring this new generation face to face with who Christ really is Josh explains They know the facts but they don't know Him They are believing distorted views of Christianity This means we must first model Christlikeness to them and then continually lead them through a basic spiritual formation process that sets them on a solid foundation for building a life that is authentically Christian Reintroduce the real and relevant Christ to your young people lead them through the process of Christlikeness and you may very well ignite a spiritual revolution for an entire generation     **The Catholic Periodical and Literature Index**, 1992     **New Covenant**, 1983
