Go With the Flow Bradley D. Huebert,2014-03-30 Most Christians struggle to keep up a daily quiet time Many of us are dependent on devotional books to shape our time with God because we have no idea how to do it on our own Or maybe we avoid daily devotions because it feels like we re not getting much out of them And then the guilt kicks in because we know we really ought to have a daily quiet time Am I right But imagine an approach to your quiet time that feels like wading into a living stream You can enjoy a proven rhythm created by God himself that welcomes you just as you are and helps you go with the flow instead of fighting the current Go With The Flow will show you how to approach your daily time with God simply naturally and joyfully You ll learn how to embrace a current that will help you thrive in your faith and live your whole life saturated by the good news of Jesus Christ
