Emotional Intelligence Workbook Stories:

The Emotional Intelligence Workbook: Teach Yourself Jill Dann, Derek Dann, 2015-09-10 Do you want to be able to persuade influence or empathise with people in any situation Do you want to be able to click with people instantly Do you want people to trust you This new Teach Yourself Workbook doesn't just tell you what emotional intelligence is It accompanies you every step of the way with diagnostic tools goal setting charts practical exercises and many more features ideal for people who want a more active style of learning The book starts by helping you identify the behaviours associated with emotional intelligence and whether you are currently doing them It then helps you set specific goals to improve on as you progress through the book you will be able to keep checking your progress against these goals Specially created exercises using the tools of NLP hypnotherapy and cognitive psychology will help you to boost your emotional intelligence so that you can reach your potential in any situation Handle with Care Joshua M. Freedman, Anabel L. Jensen, Marsha C. Rideout, Patricia E. Freedman, 1998 A beautiful book that simply and directly shows how to build emotional intelligence Emotional intelligence and its critical importance to life and work success are clearly defined in the introduction 24 essential themes or aspects of EQ are explored in a simple clear and engaging format Each theme includes an introduction a list of activities for all ages quotes research fusion questions to engage the whole brain role models books and movies In addition there are 12 postcards and over 150 custom EQ stickers included in the book Emotional Intelligence Daniel Goleman, 2005-09-27 1 BESTSELLER The groundbreaking book that redefines what it means to be smart with a new introduction by the author A thoughtfully written persuasive account explaining emotional intelligence and why it can be crucial USA Today Everyone knows that high IQ is no guarantee of success happiness or virtue but until Emotional Intelligence we could only guess why Daniel Goleman's brilliant report from the frontiers of psychology and neuroscience offers startling new insight into our two minds the rational and the emotional and how they together shape our destiny But why is emotional intelligence important Drawing on groundbreaking brain and behavioral research Goleman shows the factors at work when people of high IQ flounder and those of modest IQ do surprisingly well These factors which include self awareness self discipline and empathy add up to a different way of being smart and they aren't fixed at birth Although shaped by childhood experiences emotional intelligence can be nurtured and strengthened throughout our adulthood with immediate benefits to our health our relationships and our work The twenty fifth anniversary edition of Emotional Intelligence could not come at a better time we spend so much of our time online more and more jobs are becoming automated and digitized and our children are picking up new technology faster than we ever imagined With a new introduction from the author the twenty fifth anniversary edition prepares readers now more than ever to reach their fullest potential and stand out from the pack with the help of EI *Emotional Intelligence Workbook: For Elementary and Middle Grade Children* Better Youth Programs, 2019-03-02 Emotional Intelligence is a vital skill for children often overlooked Not

only is it overlooked but there is seldom good workbooks available aimed directly at children This activity book is a treasure trove of wonderful exercises that get kids thinking about their own emotions create self esteem empower good behaviours and habits and develop consideration for others Don t neglect to teach your kids a solid emotional intelligence to help them become strong to weather the storm coming up in teenage years This section of the Youth Deployment Activity Guide is designed to give you additional age appropriate resources that are helpful in teaching your child about emotions The emotional and social skills that are presented were written in order to help you grow your child The sections include Intrapersonal Skills Interpersonal Skills Adaptability Stress Management and General Mood Each section is further divided into sub skills that address such things as Problem Solving Happiness Flexibility and other critical emotional and social competencies We encourage you to use these activities throughout the deployment process and beyond Sample Exercises from Emotional Intelligence Activities for Kids My Special Gifts and Talents Everyone has something they do well It may be in a sport or playing a musical instrument or even a particular subject like math A person can even be good at making friends Whatever a person does well can be a gift or talent See if you can recognize your own gifts and talents Piecing a Quilt Many emotions make up the person you are It is important to be able to identify those emotions and know how to deal with them Your emotions are like a patchwork quilt Each of your emotions is pieced together to make up the whole you Inside the patches on the quilt below draw a face showing different emotions you have felt Make No Bones About It Do your friends sometimes do or say things that make you feel uncomfortable Maybe they say unkind things to other classmates Or maybe they take the seat you were saving for someone and won t move when you ask them Do you feel like you should speak up about it but are afraid Here are some steps to take to help you speak up A Skeleton of My Former Self Independence is when you are able to take care of yourself You are able to plan and make important decisions for yourself and you can make those decisions without falling apart or depending on others to bail you out emotionally You are courteous honest and respectful of yourself and others You are willing to take responsibility for your feelings thoughts and actions You rely on others for help when necessary but do not cling to other people

Working with Emotional Intelligence Daniel Goleman, 2000-01-04 Do you have what it takes to succeed in your career The secret of success is not what they taught you in school What matters most is not IQ not a business school degree not even technical know how or years of expertise The single most important factor in job performance and advancement is emotional intelligence Emotional intelligence is actually a set of skills that anyone can acquire and in this practical guide Daniel Goleman identifies them explains their importance and shows how they can be fostered For leaders emotional intelligence is almost 90 percent of what sets stars apart from the mediocre As Goleman documents it s the essential ingredient for reaching and staying at the top in any field even in high tech careers And organizations that learn to operate in emotionally intelligent ways are the companies that will remain vital and dynamic in the competitive marketplace of today and the future Comprehensively researched crisply written and packed with fascinating

case histories of triumphs disasters and dramatic turnarounds Working with Emotional Intelligence may be the most important business book you ll ever read Drawing on unparalleled access to business leaders around the world and studies in more than 500 organizations Goleman documents an astonishing fact in determining star performance in every field emotional intelligence matters twice as much as IQ or technical expertise Readers also discover how emotional competence can be learned Goleman analyzes five key sets of skills and vividly shows how they determine who is hired and who is fired in the top corporations in the world He also provides guidelines for training in the emotionally intelligent organization in chapters that no one from manager to CEO should miss Working with Emotional Intelligence could prove to be the most important reference for bottom line businesspeople in the first decades of the 21st century **The Little Book of**

The Emotional Intelligence Activity Book Adele Lynn,2001-12-26 We ve all heard of IQ but what s EQ It s Emotional Quotient aka Emotional Intelligence and experts say that EQ is a greater predictor of success at work than IQ Companies are increasingly looking for ways to motivate and develop their employees emotional intelligence This book presents trainers and coaches with 50 innovative exercises to be used for either individuals or groups The activities found in the book are grouped according to the various core competencies associated with Emotional Intelligence Self Awareness and Control an awareness of one s values emotions skills and drives and the ability to control one s emotional responses Empathy an understanding of how others perceive situations Social Expertness the ability to build relationships based on an assumption of human equality Mastery of Vision the development and communication of a personal philosophyThe book also includes suggested training combinations and coaching tips Permission to Feel Marc Brackett, Ph.D.,2019-09-03 The mental well being of children

and adults is shockingly poor Marc Brackett author of Permission to Feel knows why And he knows what we can do We have a crisis on our hands and its victims are our children Marc Brackett is a professor in Yale University s Child Study Center and founding director of the Yale Center for Emotional Intelligence In his 25 years as an emotion scientist he has developed a remarkably effective plan to improve the lives of children and adults a blueprint for understanding our emotions and using them wisely so that they help rather than hinder our success and well being The core of his approach is a legacy from his childhood from an astute uncle who gave him permission to feel He was the first adult who managed to see Marc listen to him and recognize the suffering bullying and abuse he d endured And that was the beginning of Marc s awareness that what he was going through was temporary He wasn t alone he wasn t stuck on a timeline and he wasn t wrong to feel scared isolated and angry Now best of all he could do something about it In the decades since Marc has led large research teams

and raised tens of millions of dollars to investigate the roots of emotional well being His prescription for healthy children and their parents teachers and schools is a system called RULER a high impact and fast effect approach to understanding and mastering emotions that has already transformed the thousands of schools that have adopted it RULER has been proven to reduce stress and burnout improve school climate and enhance academic achievement This book is the culmination of Marc s development of RULER and his way to share the strategies and skills with readers around the world It is tested and it works This book combines rigor science passion and inspiration in equal parts Too many children and adults are suffering they are ashamed of their feelings and emotionally unskilled but they don t have to be Marc Brackett s life mission is to reverse this course and this book can show you how The Emotional Intelligence Quick Book Travis Bradberry, Jean

Emotional Intelligence: The Emotional Intelligence Book - Emotional Intelligence at Work and Emotional Intelligence Leadership John C. Allen, 2017-05-15 Emotional Intelligence The Emotional Intelligence Book Emotional Intelligence at Work and Emotional Intelligence Leadership This Emotional Intelligence Book will answer the question what is emotional intelligence also referred to as EI As the book works to define emotional intelligence through the four main branches it dives deeper into explaining each branch in hopes of bringing about a higher self awareness in the reader Most people walk around with low emotional intelligence out of ignorance They do not know because they have never been taught Some crowds believe that the emotionally intelligent are as smart as those with high IQ s People in positions of leadership show a higher aptitude of EI for being able to help others to calm the crowd and to work well under pressure without cracking Each of the four branches of the emotional intelligence theory is explained in full detail The first branch is emotional perception The second branch is emotional reasoning The third branch is emotional understanding and the fourth branch is emotional management Each branch has an explanation on how to do it how to perceive how to reason how to understand and how to manage the emotions In learning this we can then learn how to improve emotional intelligence Emotional intelligence training helps to make leaders out of people and helps people to learn more about themselves and they will learn how to handle their emotions A person with a high level of emotional intelligence has learned how to control their reaction to their emotions and they can also help others with their responses to emotions The emotional intelligence definition shows that we are whole people who have emotions and will go through emotional times but that we can control our reaction and responses to these emotions instead of allowing the emotions to show as raw and out of control
