The Coton de Tulear: A Complete and Comprehensive Owners Guide To: Buying, Owning, Health, Grooming, Training, Obedience, Understanding and Michael Stonewood, 2019-03-28 The Coton de Tulear is a small breed of dog that originates from Madagascar as is actually the island's nation dog The breed is named after the city of Tuléar which is located in Madagascar and for its cotton like coat texture

The breed is believed to be a descendant of the Tenerife dog that has been mated with a breed native to Madagascar during the 16th century. The Coton de Tulear is a member of the Bichon typing and is still closely related to the Bichon Tenerife and the Tenerife Terrier. The Coton de Tulear has always been a companion dog and has never been feral. Unlike most other breeds of dog developed in Madagascar, the Coton de Tulear has never been used to hunt wild boar or alligators as its size and strength prove. The Coton de Tulear also has a nonexistent prey drive which further suggests that the breed has always been a companion dog. The breed's cotton-like coat is believed to be a result of a single gene mutation. The Coton de Tulear has a medium to long coat that is considered to be hair rather than fur. Despite having long hair, the breed is considered to be hypoallergenic as it barely ever sheds once it is full grown; however, like the Poodle and Havanese, the Coton de Tulear will shed its puppy coat. The breed's coat comes in three standardize colorations: white, black and white, and tricolor (which is a mixture of black, white, and tan). As a whole, the Coton de Tulear is known to be a highly affectionate, intelligent, and playful breed. They fit perfectly well into a family household environment. Despite their small size, it is recommended to keep a Coton de Tulear in a house rather than an apartment as they are very vocal and will grunt, bark, and whine often while playing. Before purchasing any pet, it is important to understand that as a pet owner, you are responsible for the care and wellbeing of your pet. It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle, household, and financial status are suited to provide your pet with the best possible care. This guide has been designed to provide you with both precise and concise information about a Coton de Tulear's basic needs to help you provide your pet with the best quality care practices. This guide will give an in-depth explanation on training your Coton de Tulear, raising your Coton de Tulear from a puppy, grooming, health care, and everything in between. **The Coton de Tulear: A Complete and Comprehensive Owners Guide to Buying, Owning, Health, Grooming, Training, Obedience, Understanding, and Caring for Your Coton de Tulear** by Michael Stonewood is the perfect purchase or gift for a first-time Coton de Tulear owner. This guide includes sections on caring for a puppy, breeding, health care, training, the basic cost of owning an Coton de Tulear, and much more. Pets are faithful companions that accompany you through thick and thin for as long as the friendship lasts. They are silent yet understanding. They are intelligent yet subservient to you. They become a major portion of your life. Among the animals usually taken in as pets, dogs constitute a rather impressive proportion. After all, they are man's best friend. There are over 100 different breeds of dogs with distinguishably different characteristics and features that endear them to their owners. This book focuses on one such breed: the Coton de Tulear dog, or simply Coton. Like every other breed, they are pretty unique. The Coton de Tulear dog breed is regarded as a small breed companion dog owing to its amiable nature and cuddlesome appearance. The Coton is a humble representation of beauty.

intelligence loyalty companionship and playfulness It is a little cotton ball which keeps you happily entertained throughout your relationship What makes it even more endearing is its sprightly nature the ability to perform simple tricks to amuse onlookers and its affectionate personality Besides this its small size makes it a compact manageable and mobile pet When it comes to pulling off those amazing god gifted looks this particular breed has a knack of flaunting its beauty in breath taking style This makes the dog extremely adorable But before you start thinking about getting a Coton de Tulear dog there are a lot of things you need to consider and evaluate against each other Carefully assessed decisions are less likely to end up in failure as compared with gut instinct purchases Everything you need to know about this breed is contained in this book This manual contains all the information you need from birth to the Rainbow Bridge including transitioning through house breaking care feeding training and end of life so that you can make a well informed decision whether or not the Kangal is the breed for you If you already have a Coton you will learn everything you need to know to keep your dog healthy and happy
