Use this note to document individual, family or couples psychotherapy sessions and person's response to the intervention during a specific contact.

Data Field	
Person's Name	Record the first name, last name, and middle initial of the person. Order of names is at agency discretion.
Record Number	Record your agency's established identification number for the person.
Person's DOB	Record the person's date of birth.
Organization Name:	Record the organization for whom you are delivering the service.
Modality	Check appropriate box to indicate the type of session: individual, family or couple.
List Name(s) of Person(s) Present	Check appropriate box to indicate whether the person is "Present", is a "No Show/Cancelled" or the "Provider Cancelled". For cancellations, complete "Explanation" as needed. Check appropriate box to indicate if others are present, list name(s) and relationship(s) to person.
Person's Report of Progress Towards Goals/Objectives Since Last Session	Document person's self-report of progress towards goals since last session including other sources of information, such as family, case manager, etc...
New Issue(s) Presented Today	<p>There are four options available for staff using this section of the progress note:</p> <ol style="list-style-type: none"> 1. If person does not report/present any new issues, mark "None Reported" and proceed to planned interventions/goals. 2. If person reports a new issue that was resolved during the session, check the "New Issue Resolved, no CA Update required" box. Briefly document the new issue, identify the interventions used in the Therapeutic Interventions Section and indicate the resolution in the Response Section of the progress note. 3. If person presents an issue that has been previously assessed and for which Goals/Objectives and services have been ordered, then the information may be briefly documented as an indicator of the progress or lack of progress achieved. 4. If person presents any new issue(s) that represent a therapeutic need that is not already being addressed in the IAP, check box indicating a "CA Update Required" and record notation that new issue has been recorded on a Comprehensive Assessment Update at the same date and write detailed narrative on the appropriate CA Update as instructed in this manual. Also, the newly assessed therapeutic information may require a new goal, objective, therapeutic intervention or service that will require further use of the IAP Review/Revision form. <p>Example: Person described being involved in a minor car accident today. Person was not hurt but expressed concern regarding expense of car repair. Person felt more relieved after identifying ways to cover expense over the next two weeks.</p> <p>Example: Person reported for the first time that she was a victim of abuse/neglect at the age of twelve as recorded on the Comprehensive Assessment Update of this date.</p>

Pedretti's Occupational Therapy - E-Book Heidi McHugh

Pendleton, Winifred Schultz-Krohn, 2024-03-25 2025 Textbook and Academic Authors Association TAA McGuffey Longevity Award Winner Selected for 2025 Doody's Core Titles with Essential Purchase designation in Occupational Therapy Gain the knowledge and skills you need to treat clients/patients with physical disabilities Pedretti's Occupational Therapy Practice Skills for Physical Dysfunction 9th Edition uses a case based approach threaded through each chapter to provide a solid foundation in evaluation/intervention and clinical reasoning. The text continues to support the entry level occupational therapist and the experienced occupational therapist focused on expanding skills and knowledge. With the OT practice framework as a guide you will focus on the core concepts and central goals of client care. And by studying threaded case studies you will learn to apply theory to clinical practice. Written by a team of expert OT educators and professionals led by Heidi McHugh Pendleton and Winifred Schultz Krohn this edition includes an eBook free with each new print purchase featuring a fully searchable version of the entire text. UNIQUE Threaded case studies begin and are woven through each chapter helping you develop clinical reasoning and decision making skills and to apply concepts to real life clinical practice. UNIQUE Ethical Considerations boxes examine the obligation to collaborate with clients on their care using evidence to select treatment options. UNIQUE OT Practice Notes convey important tips and insights into professional practice. Illustrated evidence based content provides a foundation for practice especially relating to evaluation and intervention. Information on prevention rather than simply intervention or treatment shows how OTs can take a proactive role in client care. Focus on health promotion and wellness addresses the role of the occupational therapist in what the AOTA has identified as a key practice area. Content on cultural and ethnic diversity is included in every chapter reflecting occupational therapy's commitment to this important issue. Key terms chapter outlines and chapter objectives highlight the information you can expect to learn from each chapter.
