

# Parent Quick Start Guide to Twinkl Phonics Minibooks

The Twinkl Phonics minibooks build on skills taught in the Twinkl Phonics Progression. They follow the learning sequence of the and focus while helping your child to practice and apply their new phonics knowledge to read and write.

Key terms we use in this guide:

**Phonics** - when the teacher reads a sentence from a book and says each word in turn.

**High-frequency words** - phonemes that are frequently used in the phonics or reading books as they are not yet learned.

**High-frequency phonemes** - high-frequency words that are phonemes (e.g. a, e, i, o, u).

**High-frequency non-phonemic words** - words that are phonemes (e.g. a, e, i, o, u).

**High-frequency words that are not phonemes** - words that are not phonemes (e.g. the, and, but, etc.). These are sometimes called 'tricky words' as they are not necessarily words that are phonemes.

**Read, Write, Inc.** - the books and their order that show how phonemes are represented by letters.

**Read, Write, Inc. Progression** - these are books that teach the sounds in order of when they are first introduced. Some of these books are included in this guide for both the Read, Write, Inc. Level 1 books.

## What Do the Reading Materials Look Like?

From now on, you will continue to receive the phonics that you already know learning to the next stage in the Twinkl Phonics Progression. As children grow, they will be challenged to read their learning with:

**Level 1**

These books contain all the phonemes in the Read, Write, Inc. books 1 and 2 to help your child learn and practise their words in a Read, Write, Inc. order.

Books with high-frequency words are included in these books to help children learn them quickly.

**Level 2**

At Level 2, children are introduced to digraphs, trigraphs and 'tricky' words to help your child learn and practise them.

Books with high-frequency words are included in these books to help children learn them quickly.

Books are a little longer at this skill level than in Level 1.

## How?

### What happens in the day?

Day has a set order to support learning, as well as what they are used to with what they have learned in phonics.

Start the session and read books when they have got exposed to the reading level. The reading books give the same focus as before.

Continue the day with the phonics and writing.

### What my child will be doing during phonics

Day has a set order to support what the phonics progression books are used to with what they have learned in phonics.

At the start of the session, the teacher will read a book to the class.

After the book, the teacher will read a book to the class.

After the book, the teacher will read a book to the class.

After the book, the teacher will read a book to the class.

Books already have the correct phonemes that they have to use.
