**Dachshund Training Guide. Dachshund Training Book Includes: Dachshund Socializing, Housetraining, Obedience Training, Behavioral Training, Cues and Commands and More** Jonathan Carruthers, 2015-12-05 The Dachshund Training Book is a truly informative and unique training guide full of reliable and tested information written for the admirers of this wonderful breed. This is an easy to read and in depth text which you will thoroughly enjoy. It contains a wealth of interesting facts and reliable information along with detailed advice for owners. Contributed to by a series of Dachshund dog trainers this book is certainly a must have addition to your collection. *The Complete Guide to Dachshunds* Vanessa Richie, 2020-07-16 Dachshunds are popular for both their long low slung statures and their vivacious personalities. Their clownish behavior, unwavering loyalty and go get em attitude has made this breed exceptionally popular throughout the world. These spunky little dogs come in a variety of sizes with the largest specimens reaching nearly thirty pounds in size and the smallest topping out at just ten pounds or so. They have three distinct coat types to choose from smooth, wirehaired and longhaired. This is a fearless little breed developed hundreds of years ago in Germany to track and hunt animals that went to ground like badgers and pull them out of their dens. While the majority of Dachshund dogs today are pampered pets rather than independent hunters they still retain both their high prey drive and their tenacity. The traits that made them great hunters can also make them somewhat difficult to train. With this thorough guidebook you will discover everything you need to raise your Dachshund from an impulsive puppy into a confident and well mannered adult dog. *The Complete Guide to Dachshunds* is your road map to unlocking your Doxie's potential. You will learn what to do and what not to do to ensure your canine companion's continuing good health as well as tips and techniques for training the stubborn Dachshund. This comprehensive guide to Dachshunds answers your most crucial questions such as Is the Dachshund breed right for me? How do I prepare my home for an active new Dachshund? Which methods are most effective when training my Dachshund? What do I need to know to protect my Dachshund's health? Whether you refer to your new fur baby as a wiener dog, sausage dog, Doxie, Dotson dog or badger dog, one thing is certain: he will keep you busy. These short legged dogs aren't the type of endurance athletes that make good jogging buddies but they do have a lot of energy and drive. Learn everything you need to know to keep up with your dynamic Dachshund and keep him healthy and happy for years to come. Discover valuable information about your new dog including The Dachshund history as a hunting dog, How to choose the right Dachshund for you, What to expect from a breeder or rescue, Planning a budget for your Dachshund darling, What to expect the first few weeks at home, How to easily house train your Dachshund, The importance of socialization, Tips and techniques for training your Doxie, How to deal with a difficult Dachshund, Grooming your Doxie with guidelines for all three coat types, Health issues common to the Dachshund breed, Protecting your long backed dog's spine, Supporting the aging Dachshund. While these little dogs can be a bit challenging pet parents around the globe find their efforts well rewarded with joy and laughter. These little hunters are as

entertaining as they are cunning and they are always up for a new adventure This guidebook will provide indispensable insights about your dog's mental physical and emotional health for both novice and veteran Dachshund owners This wide ranging guidebook is required reading for anyone who shares their life with a Dachshund **The Complete Idiot's Guide to Dachshunds** Liz Palika,2002-09-01 This title covers everything a new or prospective dachshund owner would need to know including deciding whether or not a dachshund is right for you the history of the breed and how to find a reputable breeder The book also covers house-training nutrition and health what to do in an emergency training and more
