**A Handbook of Korea**, 1983      **Adult Leadership**, 1954      *Otto E. Miller, Plaintiff-Respondent, Against Fred W. Smythe, Defendant-Appellant*,      Extension Handbook

Donald J. Blackburn, 1994. This handbook supported by the Canadian Society of Extension covers a range of issues in the theory and delivery of extension education from the theory of how adults learn to the latest in new technology. The chapters in the book were written by some of the world's leading figures in adult education. This book provides suitable readings for college and university level courses in these areas. It is also indispensable to anyone involved in extension, continuing education, adult education and/or community and rural development.

The School Administrator's Resource Guide, Katherine Clay, 1988      *Fundamental Concepts of Educational Leadership and Management*, Taher A. Razik, Austin D. Swanson, 2010.

In a time of high educational expectations and professional accountability, today's educational leaders need to possess a broad variety of skills that enable them to function comfortably and effectively in changing environments and under

highly politicized conditions Under these circumstances change is the only constant The mission of this book is to foster understanding of this reality among those preparing for administrative and managerial careers in pre collegiate educational institutions and to help them develop skills necessary for working competently within those institutions This text is eclectic in approach not ideological and emphasizes an action research perspective that compels readers to consider critically the theoretical underpinnings of current educational practice and motivates them to seek practical alternative approaches to solving both common and unique problems This book addresses general principles underlying the knowledge base of leadership and management as specifically applied to educational institutions It stirs learners thoughts through the review of scholarship in a wide range of areas encouraging them to critically consider the theoretical underpinnings of administrative practice
